Within the following pages, Brophy will be displayed through the eyes of the yearbook photographers. Those eyes have witnessed near-perfect football and basketball seasons. A spirit of "Bronco Power" and "Pygmy Mania" seemed ingrained in an excited student body.

The tremendous number of successful fund-raising events suggested that an air of self-sufficiency surrounded many of the organizations.

Each class added to the year: the freshmen—a pool of future athletes and leaders, the sophomores—many successful sales, the juniors—official broom hockey and Pygmy Power, the seniors—new innovations for the Xmas drive and our year in sports.

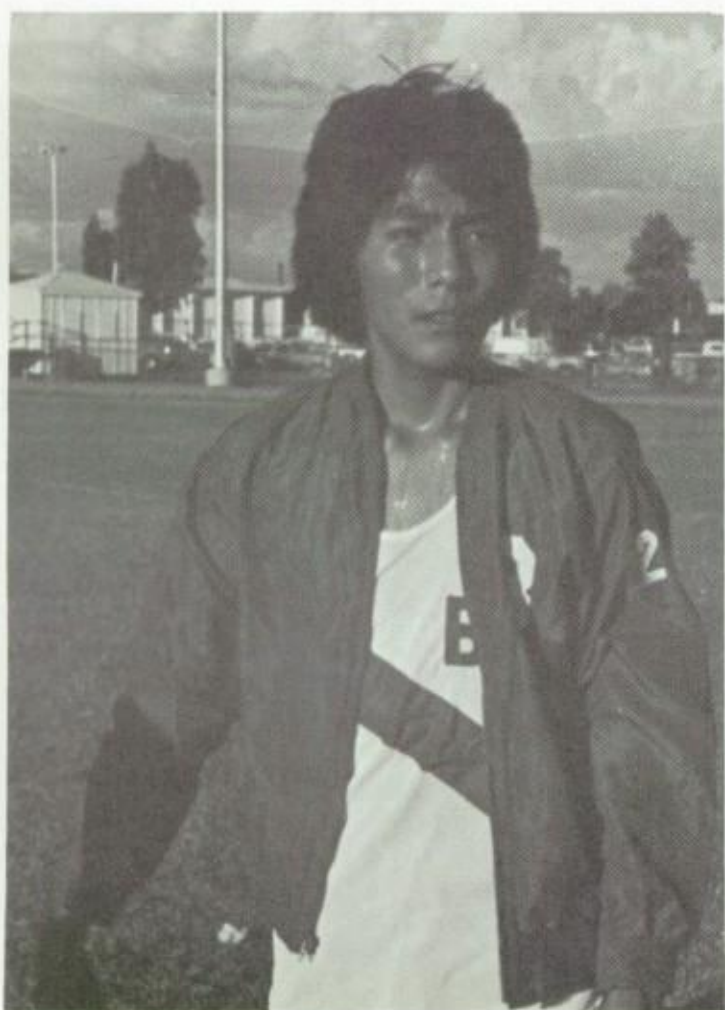

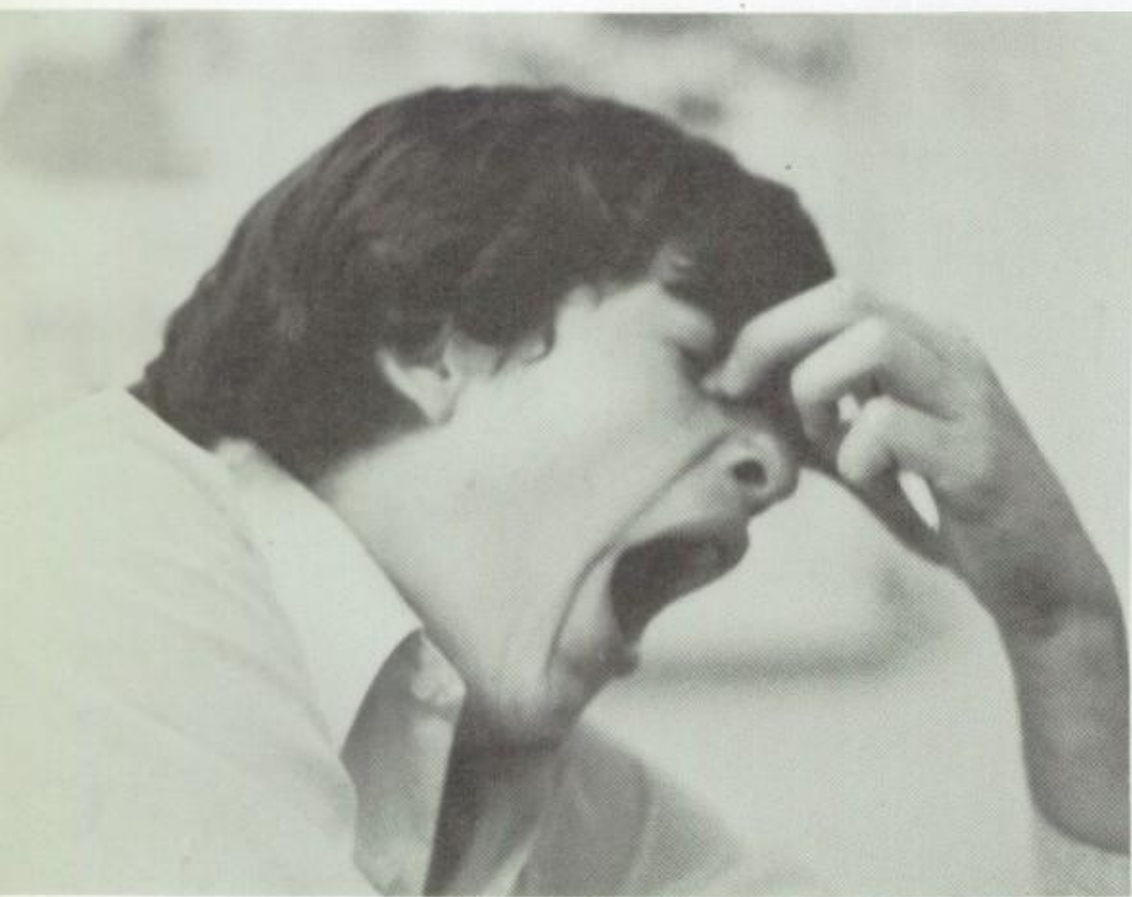

In order to highlight each portion of this year, the book has been divided just as the year, by seasons. This enables one to look at the year as it happened. So, read on, for this is how it was!

This year Brophy celebrated its fiftieth anniversary with a Golden Jubilee Mass. The occasion was honored by the presence of the Provincial, the Very Rev. Robert St. Clair, S.J. He was the principal speaker and gave an interesting account of the history of Brophy.

A special guest at this Mass was Rev. Joseph Howard, S.J., a teacher in both the early years of Brophy and after the school reopened. He gave much to Brophy in his long years of service, and it was fitting that he should share in the celebration. He is more aware than anyone of the struggles and accomplishments of Brophy over the last fifty years, and we were specially honored by his participation in our celebration.

50 Years of Brophy

Mrs. William Henry Brophy founded this school in honor of her late husband. To her we owe much gratitude and thanks.

The Original Brophy

These are some of Brophy's first athletes, the Block Club of 1934.

The first President of Brophy, Rev. James E. Malone, S.J. For the first three years of Brophy's existence, he worked to build and establish the school.

The Freshman Class of 1933. They worked for three years to meet the Brophy standards of excellence. Most would have achieved these goals and graduated. But it was not to be. The Depression closed Brophy in 1935. It would remain closed for the next seventeen years.

Brophy closed

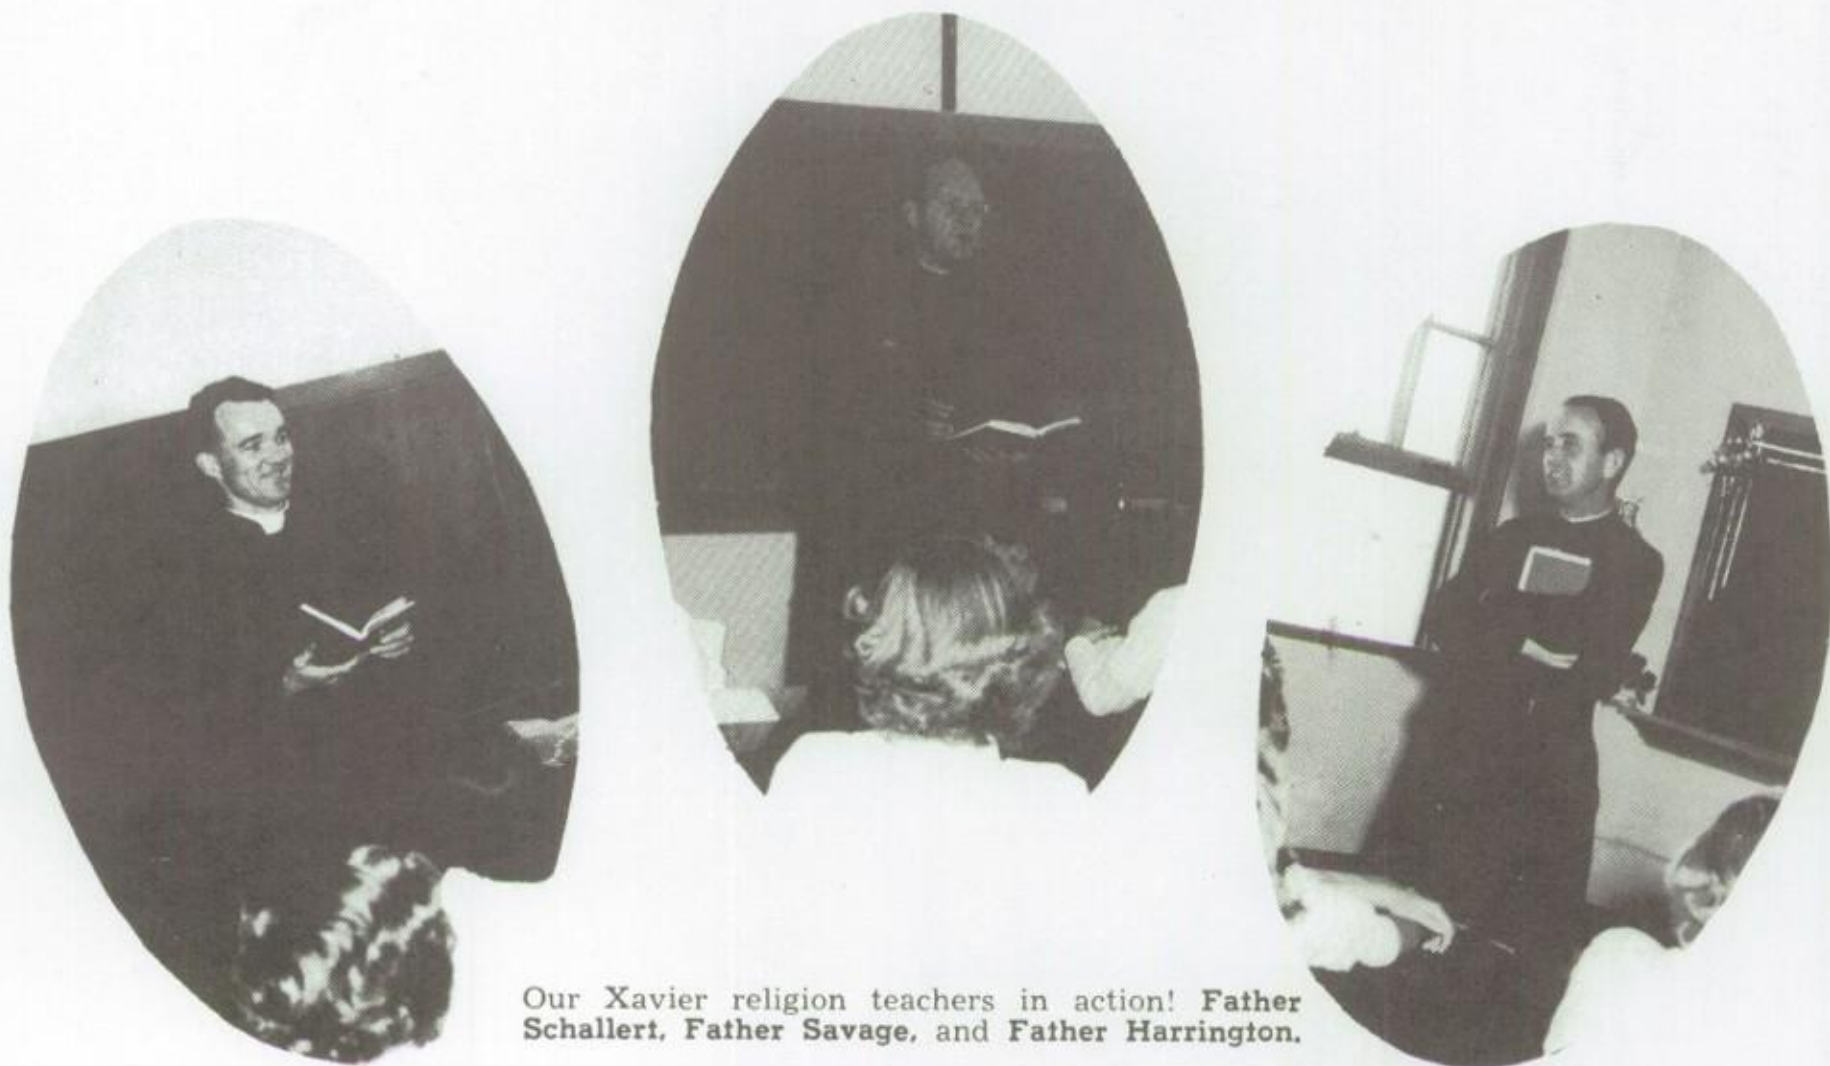

its doors in 1935

In the years that Brophy was closed, the buildings were put to good use by Xavier High School. The girls on the left are posing in the "Xavier" courtyard. The Senior officers of 1954 (below) are standing in front of the "Xavier" rectory with the "Xavier" tower standing tall in the background.

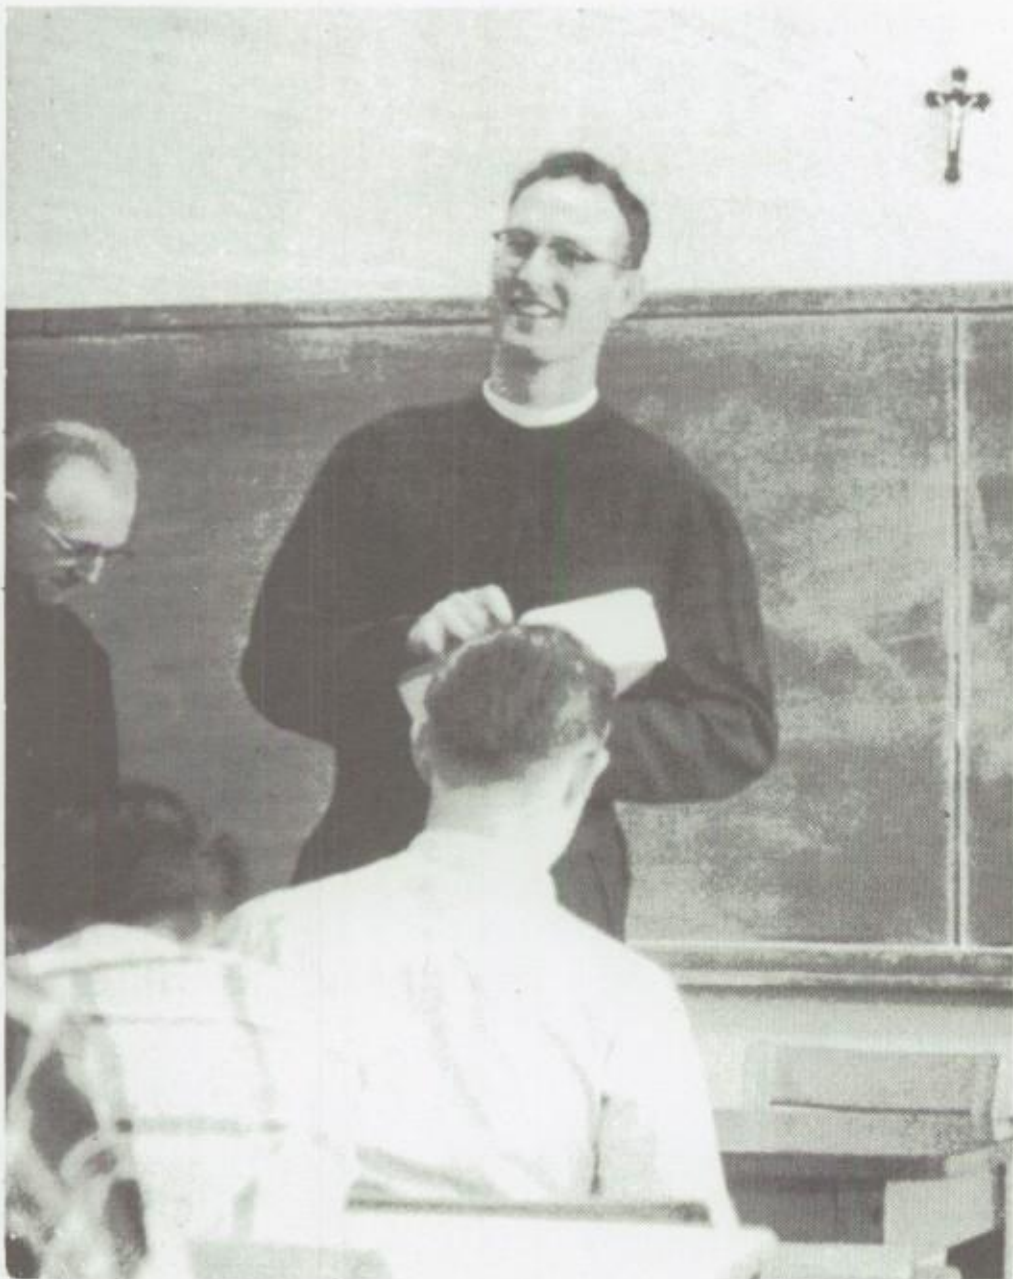

In 1952 Brophy was given new life

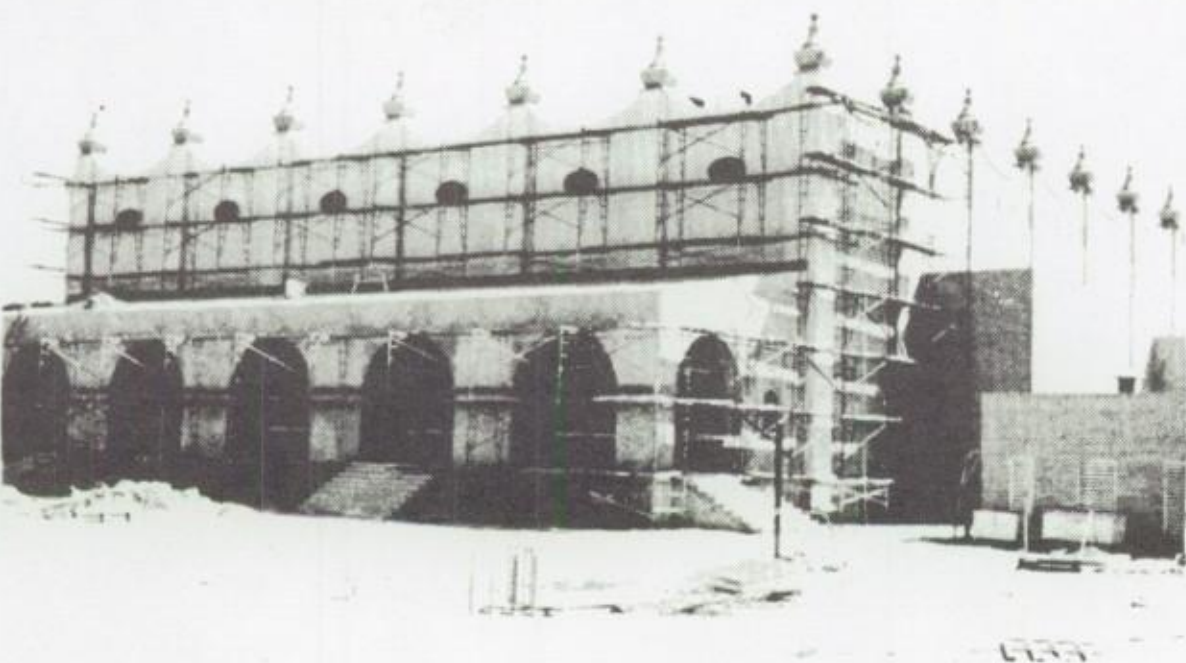

Our Xavier religion teachers in action! **Father Schallert, Father Savage, and Father Harrington.**

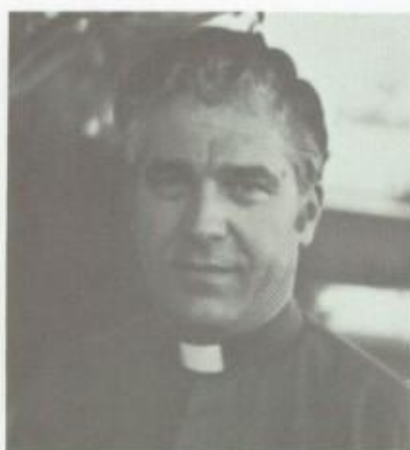

From 1952 to 1956, Brophy and Xavier shared the same school building and faculty. These pictures from the 1954 Xavier Yearbook show that Rev. Francis Harrington, S.J., the President of Brophy from 1952 to 1962, was also a Xavier teacher. The Brophy classes were held downstairs in Regis Hall, and the Xavier classes were held upstairs. This was a good arrangement for all with the possible exception of Fr. Harrington. Due to the lack of other quarters, he was forced to sleep in the "Ladies Powder Room" for three months. He was therefore restricted from his own room from 6:30 in the morning until late at night.

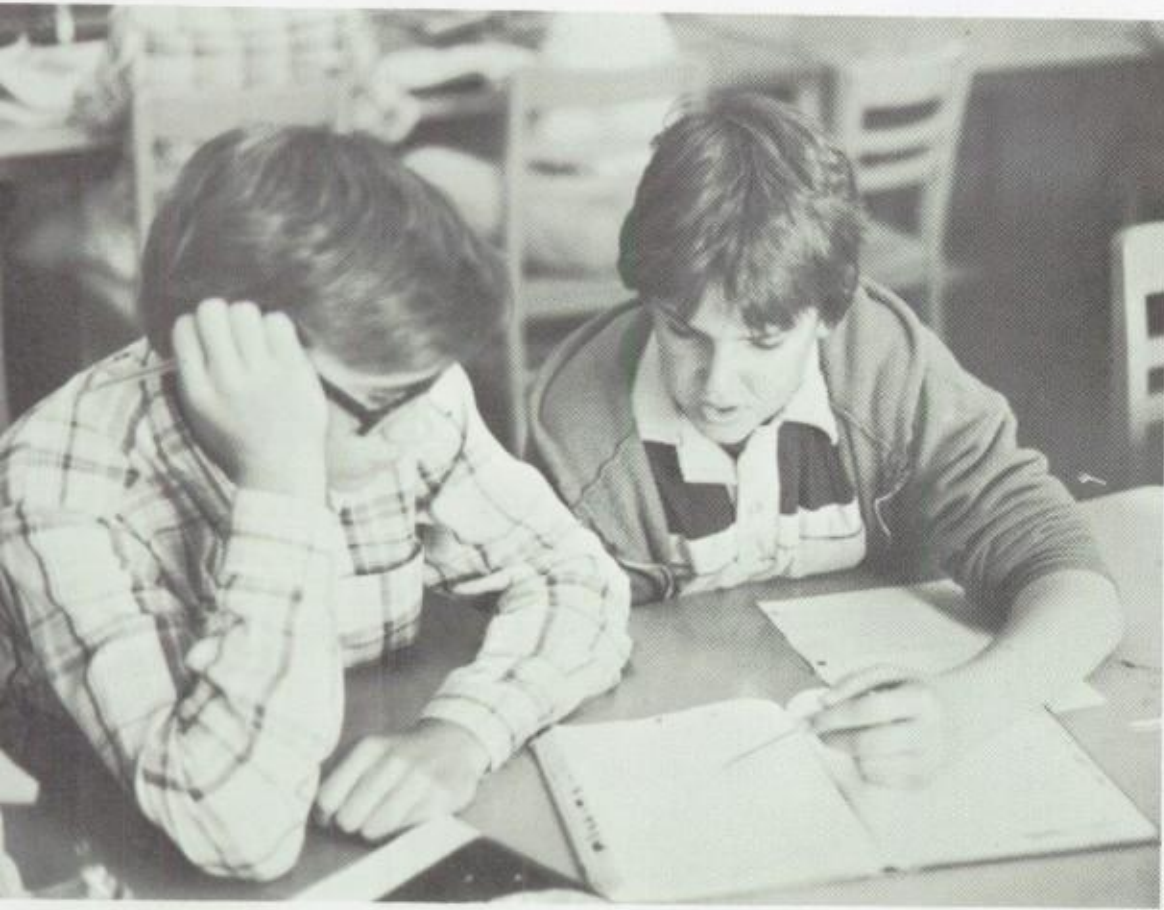

In 1957 Brophy reclaimed all of the old buildings from Xavier. By 1960 ground had been broken for a new building(above).

In 1967 the Brophy gym was completed, and we won our first game against St. Mary's.

Could it have been the feminine Christopher Wren? Or was it really the director, Mrs. Betty Wojciehowski? No, it was the police sergeant.

And in all productions, care is taken to see that all make-up is put on correctly and painlessly?

SUPER SEASON!

Determination and a will to win. Dedication plus hard work. This sums up the 1978 Brophy Bronco football team. In some cases it looked as if David and Goliath were battling since the Broncos, with Pygmy Mania support, continued to down larger and stronger opponents. In fact, the Broncos came out on top twelve out of thirteen. It was the first time in many years that the success of the gridders carried over to the student body.

Both friends and foes of football cheered for a team that the critics felt was "just plain lucky." Proved them wrong was what we did. How does a

10 - 0 regular season catch you, especially for a team mediocre at best?

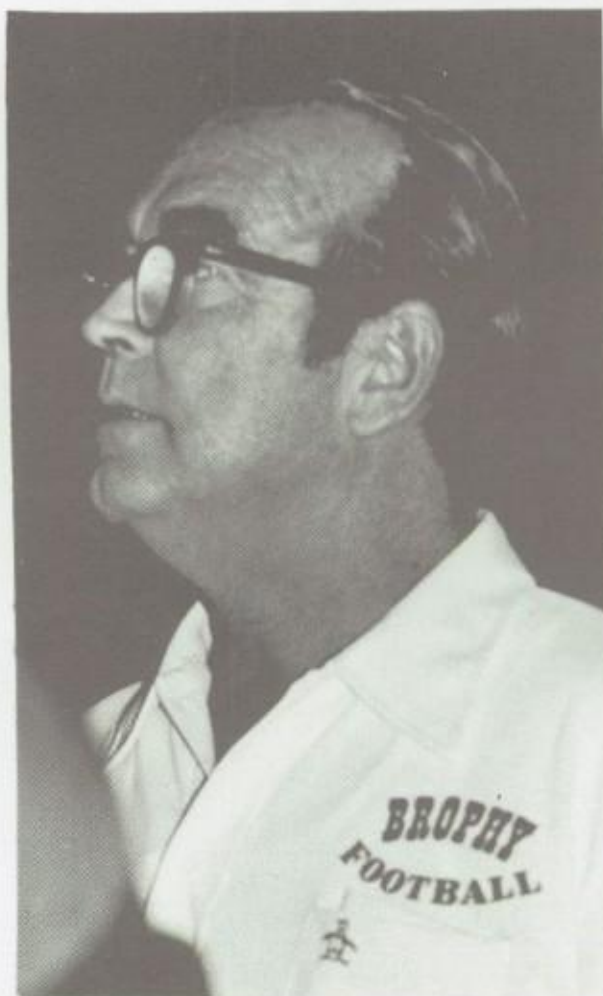

Central, St. Mary's twice, Cortez and Amphitheater were among the Goliaths which were slain. Everyone was out to get us, to put us where *they thought* we belonged. It took the state champions, Mountain View, to make us settle for second best, one defeat. The Broncos came marching in this year and have every reason to be proud of themselves.

Congratulations!

frosh

The frosh A football team (made up of freshmen weighing over 130 pounds) is under the direction of Mr. Jack Haughn and Mr. Dave Brennan. They proved themselves worthy in a field of difficult competition. This year's team showed that they will be competitive in the years to come.

The Frosh B football team (made up of freshmen weighing under 130 lbs.), a truly spirited addition to Brophy sports, enjoyed the coaching of Mr. Steve Dagilis for the first time. Mr. Dagilis, along with Mr. Jim Mullaney, S.J., guided the anxious Frosh through a year of vicious competition.

the shakespeare festival

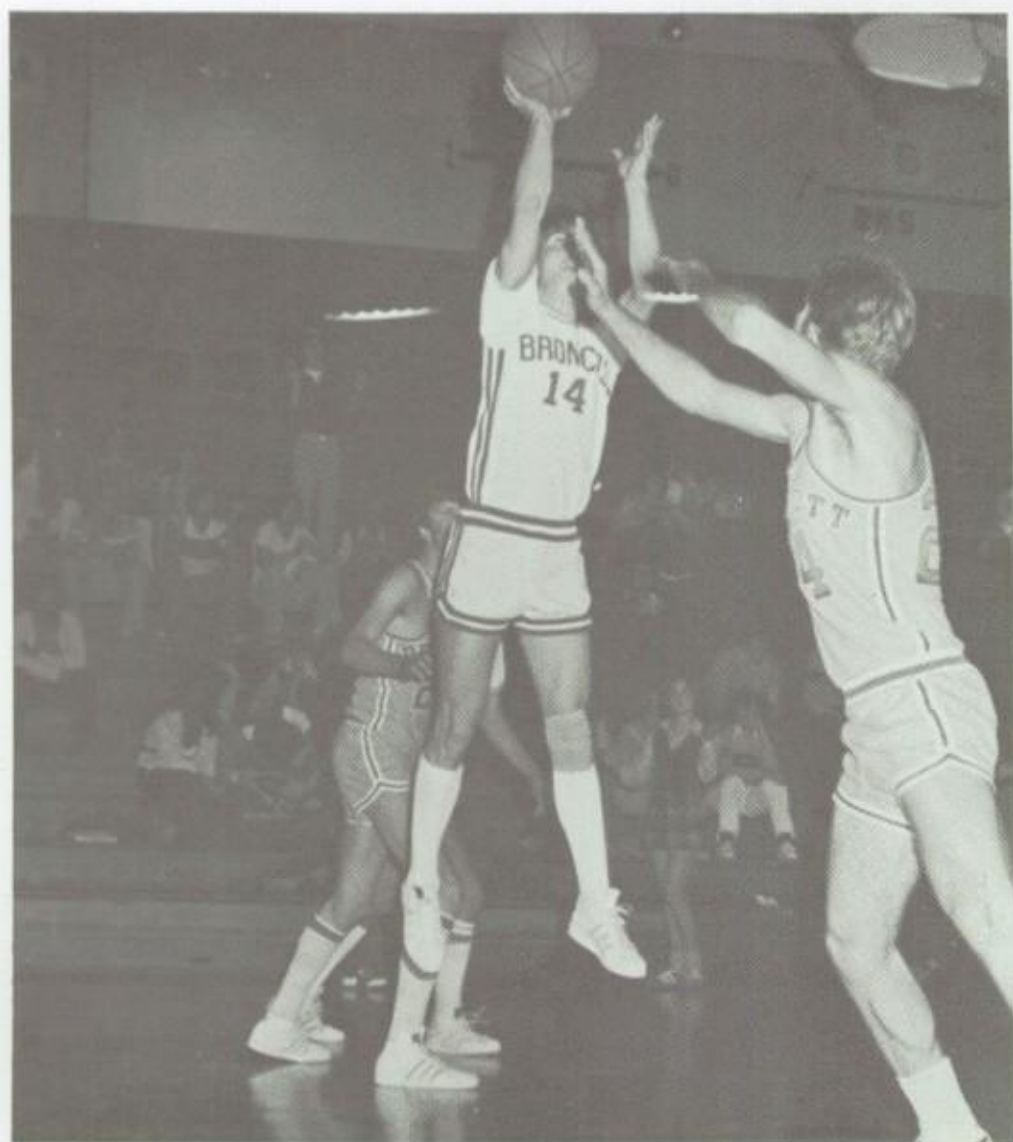

The Second Annual Renaissance Faire proved that Brophy students do possess seeds of culture. Fr. Renna once again organized a successful three days of Shakespeare scenes acted out by students. The high attendance demonstrated that parents as well as students enjoy listening to the better works of Shakespeare as interpreted by amateur actors, the students.

BRONCOS BASKETBALL

After an outstanding football season, most people expected very little from the basketball team here at Brophy. However, there were a few believers, namely Coach John Chambers and his team. As it turned out, they had the pleasure of the last laugh as the Bronco cagers rolled to an 11 - 1 record and the Skyline A-League crown.

They entered the division playoffs favored, and behind the play of all-league player Jim Dodenhoff defeated Moon Valley. However, they then fell to the Cortez Colts 68-66 in overtime and again the following night to Apollo, thus ending their hopes for a berth in the state tournament.

The year was especially profitable from the standpoint of experience gained. The team was led by a fine crop of juniors, among these were Greg Taylor, Larry Seppelfrick, Rick Miller, Eric Darcy, and Bill Kennedy. But, as with most teams, the seniors were the mainstay. Key players were Kevin McCann, Paul Fanta, John Frost, John Fournier, and Chris Bayley.

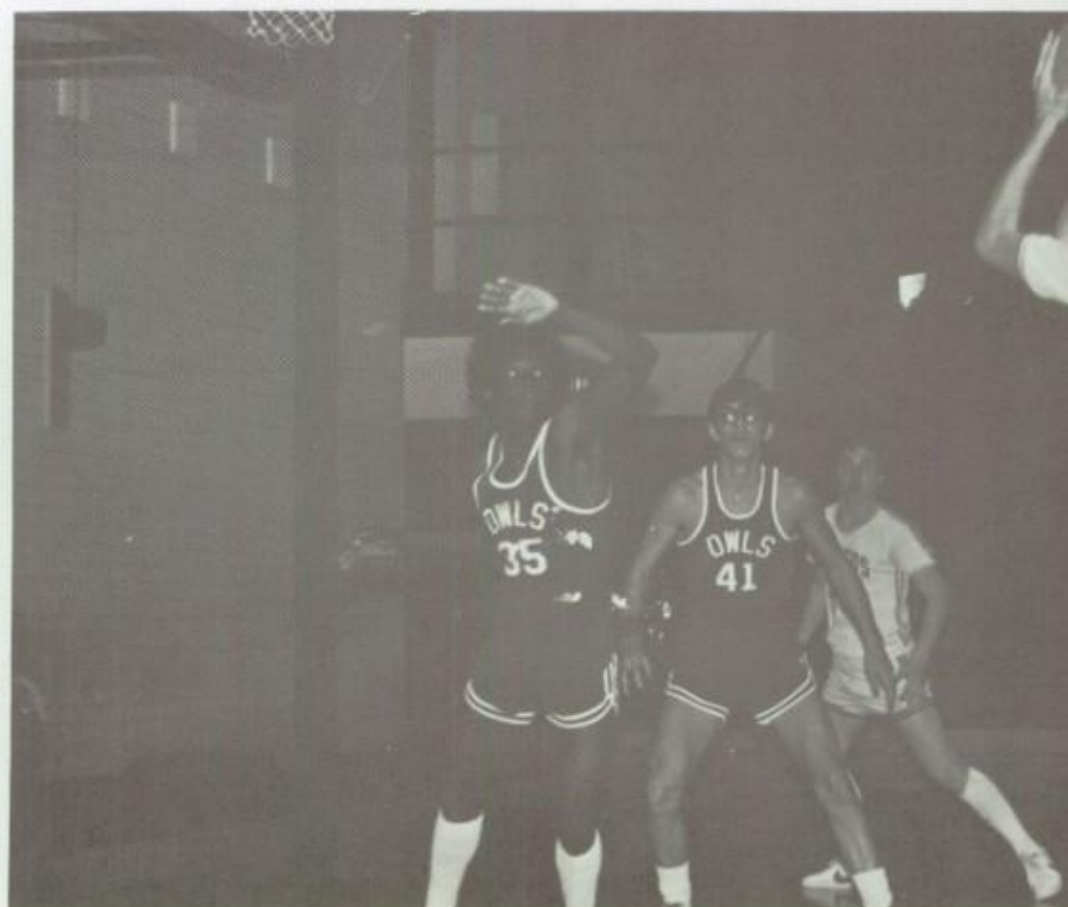

Next year the Broncos should be strong with five returnees, two of them starters from this year's squad. Thanks to all who attended the team's games.

The Frosh B team's efforts were unrewarded on the courts. Their final record was five wins and ten losses. But it seems as though fate might have been against them. Six games were lost by two points or less, two games in overtime. Better luck next year.

The soccer team, Brophy's newest athletic endeavor, worked hard to build and establish itself in the Brophy world of sports. Under the management of Fr. ACTIVITIES

STUDENT COUNCIL

The Student Council is a group of students elected to represent the student body in various ways. This year, under the moderation of Fr. Alfred Naucke, S.J., and Mr. Steve Ryan, S.J., the ASBCP Student Council served Brophy well. This year's Executive Council was: John Simons, president, Bob Costello, vice president, John Murphy, secretary, Mark Galvin, treasurer, and Jim Lee, sergeant-at-arms.

Key Club

The Key Club is a Brophy organization dedicated to the service of humanity. In the past year they have run a blood drive, a hairy-legs contest for the Christmas Drive, and a dance marathon for muscular distrophy. The Key Club offers alternative ways for students to complete their Community service requirements. The Key Club is moderated by Mrs. Jacqueline Labbe.

Christian Life Community

The Christian Life Community, the newest organization on campus, had a slow start, but has begun to make itself known in the Brophy Community. The CLC, a group whose true belief that Jesus Christ is Lord is manifested in their unrelenting dedication to Community Service and Christian Idealism, has served in such capacities as raising money for a nursing home by helping with a spaghetti dinner and organizing and running the Lenten drive, all the proceeds going to help handicapped children in the special olympics.

- Curt Carpenter

Round-Up

Inoperative typewriters, a lockless door, rancid working conditions, a broken window, useless waxers, non-existent chairs, and a number of other annoying circumstances all combined to pose a rather difficult situation for this year's Round Up. But the dedication and sincerity of a small group of individuals turned what seemed to be an impossible mess into a respectable news publication. Editors Tom Schmitt and Mike Sullivan, along with the efforts of moderator John Bisenius, S.J., forged the arduous trail. Associate editors Syl Arena and Jay O'Connor spent innumerable red-eyed hours over the layout tables. And, of course, the page editors (Jim Doddenhoff, Marty McCarty, Curt Reimann) were indispensable.

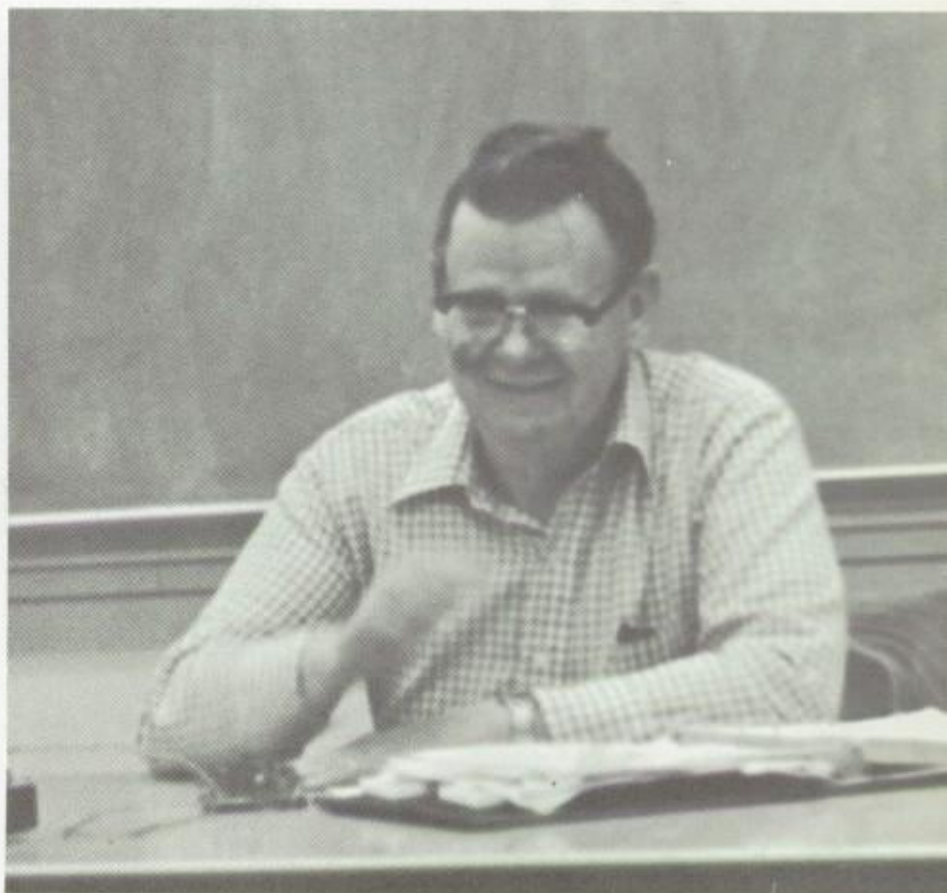

Sign Club

The Brophy Sign Club is responsible for informing the student body about important up-coming events and activities. Their signs have helped to raise school spirit and involvement in athletic events. Mr. Steve Ryan, S.J., is the moderator and Bob Costello is the president.

Radio Club

Mr. Richard Greatorex
Radio Club Instructor

The expert instruction of Mr. Richard Greatorex and the kindly guidance of Moderator James LaCasse, S.J., has exploded the horizons of the Radio Clubbers. These students have tackled the intricacies of radio electronics, obtaining amateur radio licences, and talked to their ham buddies around the world on Brophy's station K7RUF.

chess club

The Brophy Chess Club, one of the quietest organizations on campus, is also one of the most successful organizations. The Chess Team took fourth place in the state tournament this year, an outstanding showing. To all those on the team, congratulations and good luck next year.

N.H.S.

The National Honor Society has played an active role in the Brophy tutoring program this year. Members of the NHS have given their time to help other students who needed extra studying time. To be eligible for the NHS, students must have a good grade point average and meet standards of leadership and character. Mr. Paul Perez, S.J., is the moderator, and Tom Daughton is the president.

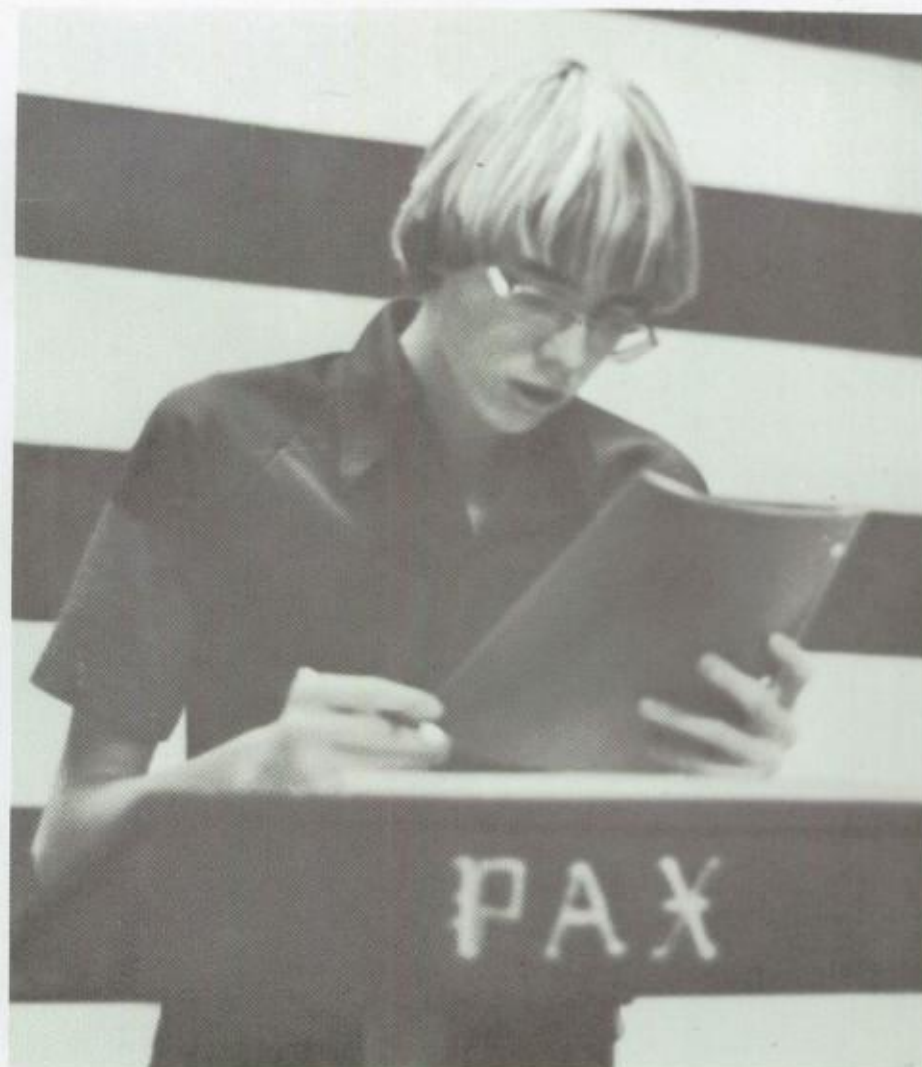

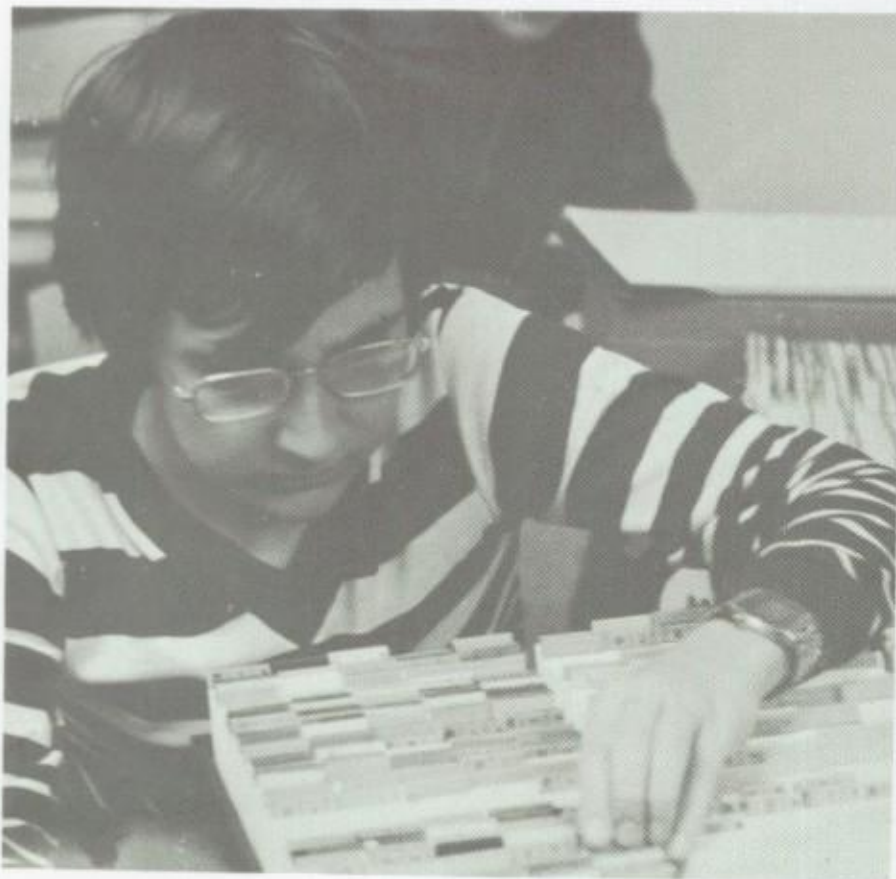

Model UN

The Model UN is an organization that gives interested students the chance to meet with students from other schools to discuss world problems. After much planning and individual work, the experience culminates in a state-wide tournament. This year's tournament was held in Tucson.

NFL

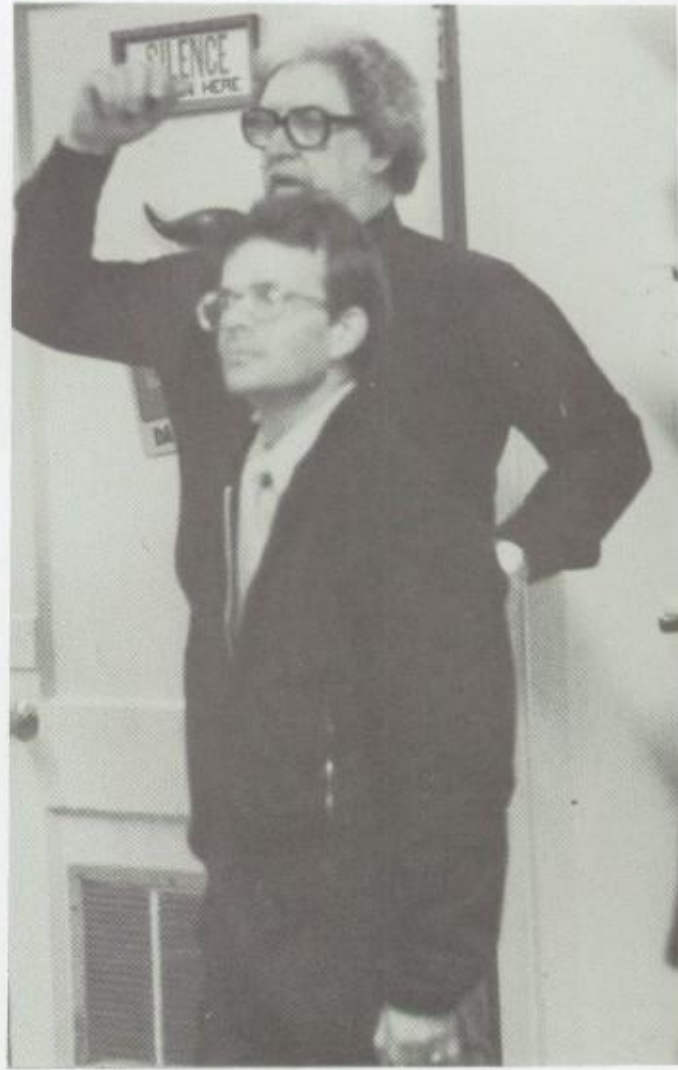

The Brophy NFL speech squad had an outstanding season this year with the debate team of Dan Raker and Cameron Artigue taking numerous trophies both in and out of the state. The team of John Pierce and Chris Bayley also had an extremely good year including first place at the divisional tournament at Apollo High. Other successful teams were Paul Murcher and Steve Hume, Jamie Harold and Philip Welch. All four of these teams went to the state tournament in Page. The freshmen team of Marty Liwinski and Bill Molinsky also proved to be a long asset to the team.

The individual event people were not to be outdone. Robert Baum took fourth place in the state in Humorous Interpretation, while Charles Doss captured fifth in extemporaneous speaking. John Hernried also did extremely well at the state meet. Chris Brady, Gary Hollenberg, Curt Carpenter, Peter Roderique and Matt Sheahan were also of great help to the team.

-Curt Carpenter

retreats

Under the direction of Chaplain David Klein, S.J. and Mr. John Firth, S.J., Brophy's retreat program offered a chance "to get away from it all." To reflect on one's past. To look for love in one's fellow human beings. To plan for the future. To find God in the friendship of Jesus Christ. To enter into more meaningful liturgies of the Eucharist and Reconciliation.

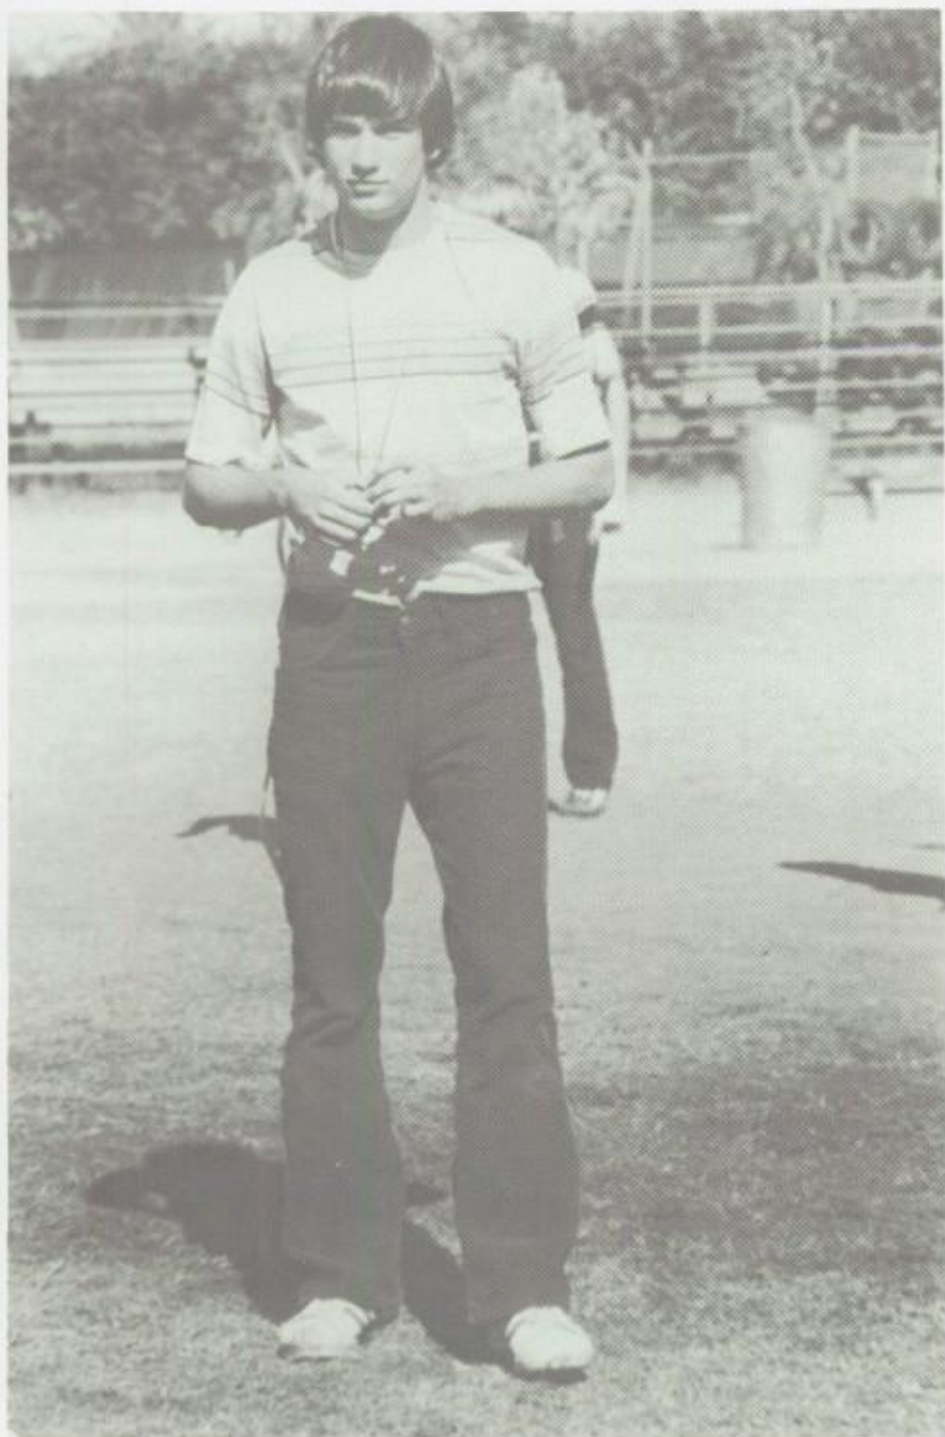

Library Workers

The Student Library Workers voluntarily give their time to help Mr. Robert Nick, our Librarian(left), keep the library in order. Without their help the library would not be able to function.

Intramurals

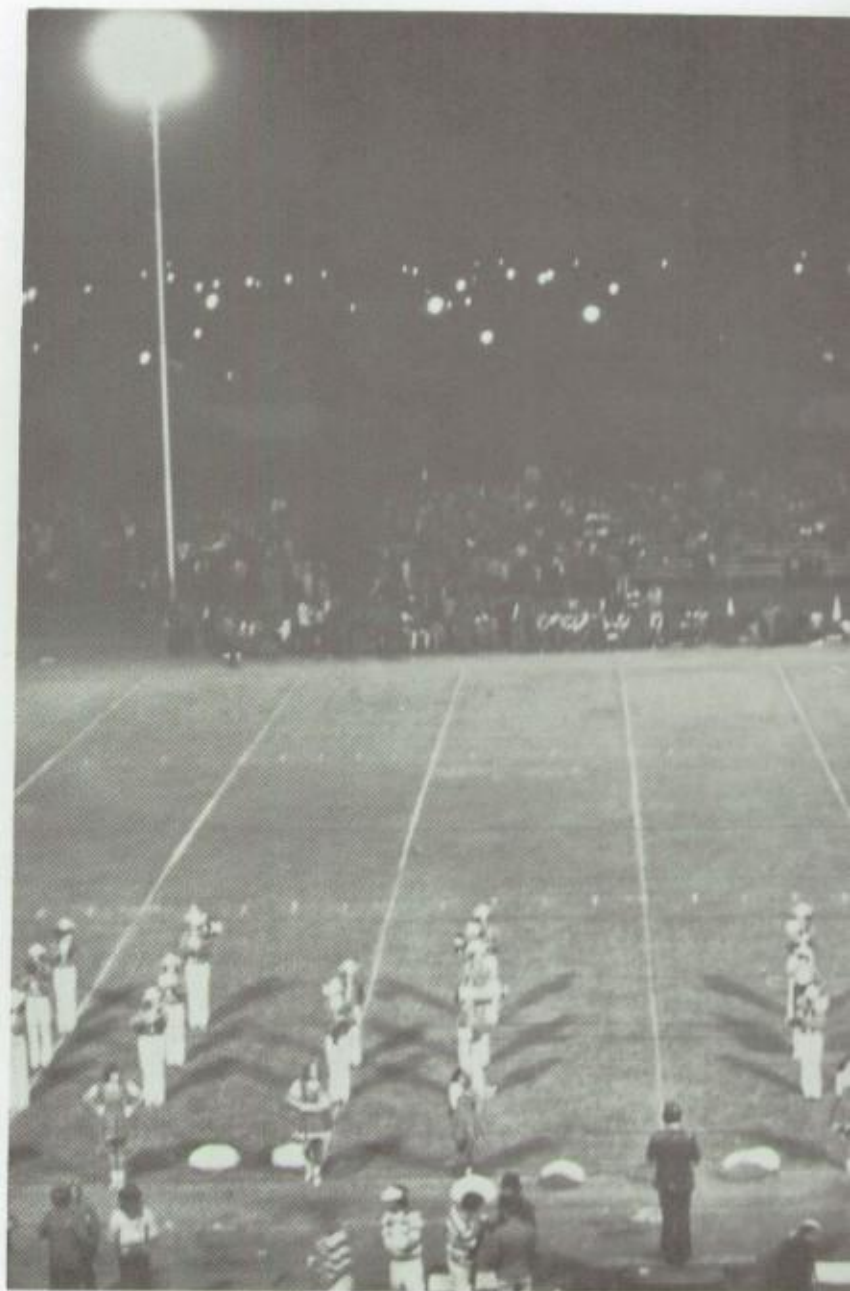

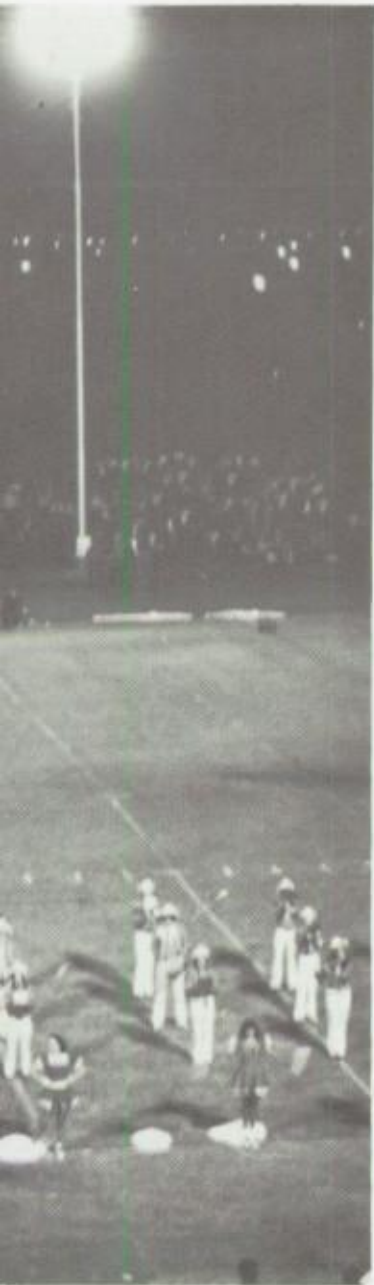

BAND

Mr. Ronald Maggiano
Band, Chorus, and Stage Band Director, Drama
Department Musical Director, Intro. to Music,
Guitar Seminar, and Music Department Chairman.

The Bronco Band, under the direction of Mr. Ron Maggiano, has worked hard all year to provide music at football games, at their own Christmas Concert, and at their Spring Concert. This has been one of the Band's most successful years in providing half-time entertainment and earning trophies in the State Solo and Ensemble Music Festival.

Senate

The Senate is an elected group of teachers, students, and parents who meet together for the common purpose of resolving disagreements between the three groups. With all members having equal numbers and equal vote, the senate makes recommendations as a group to the administration on what course of action will solve their mutual problems.

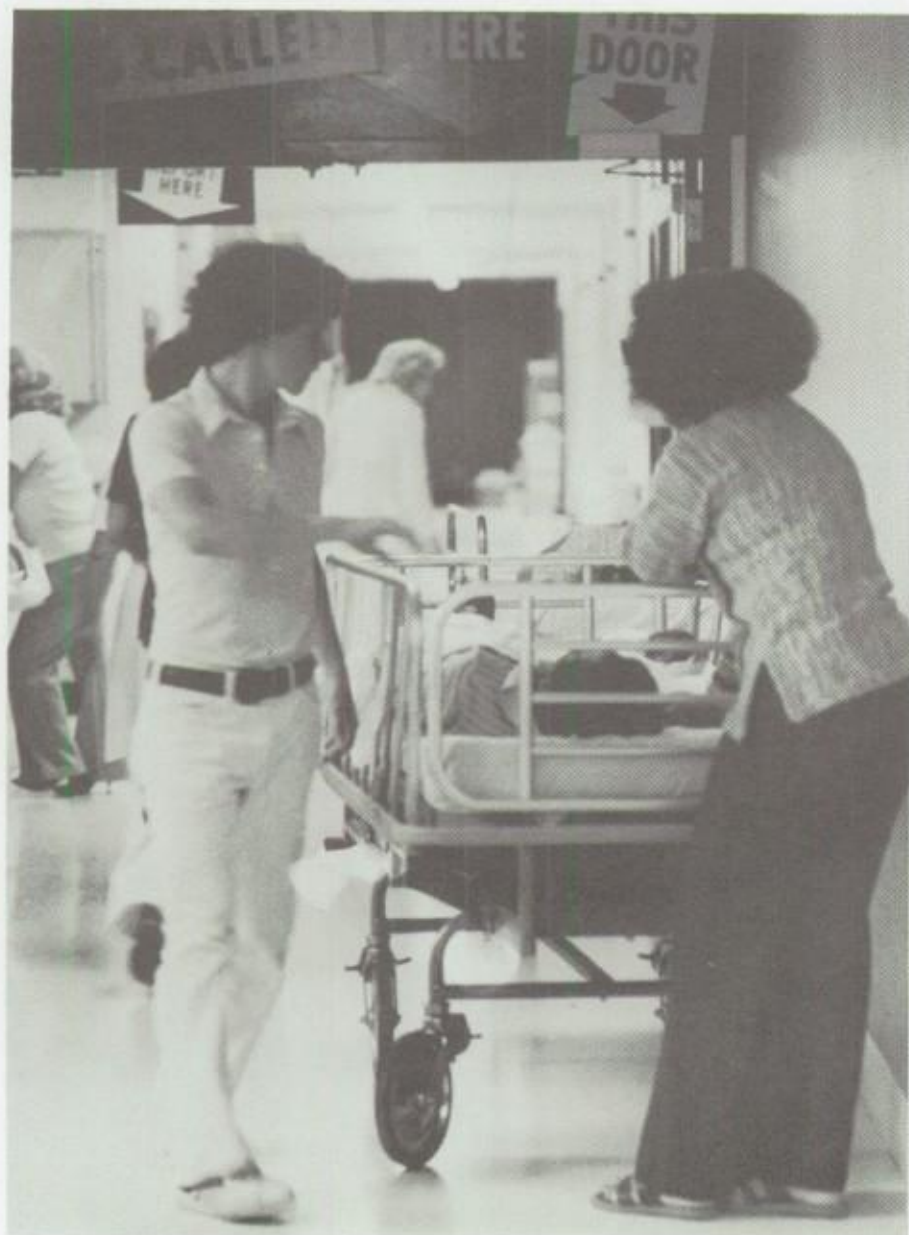

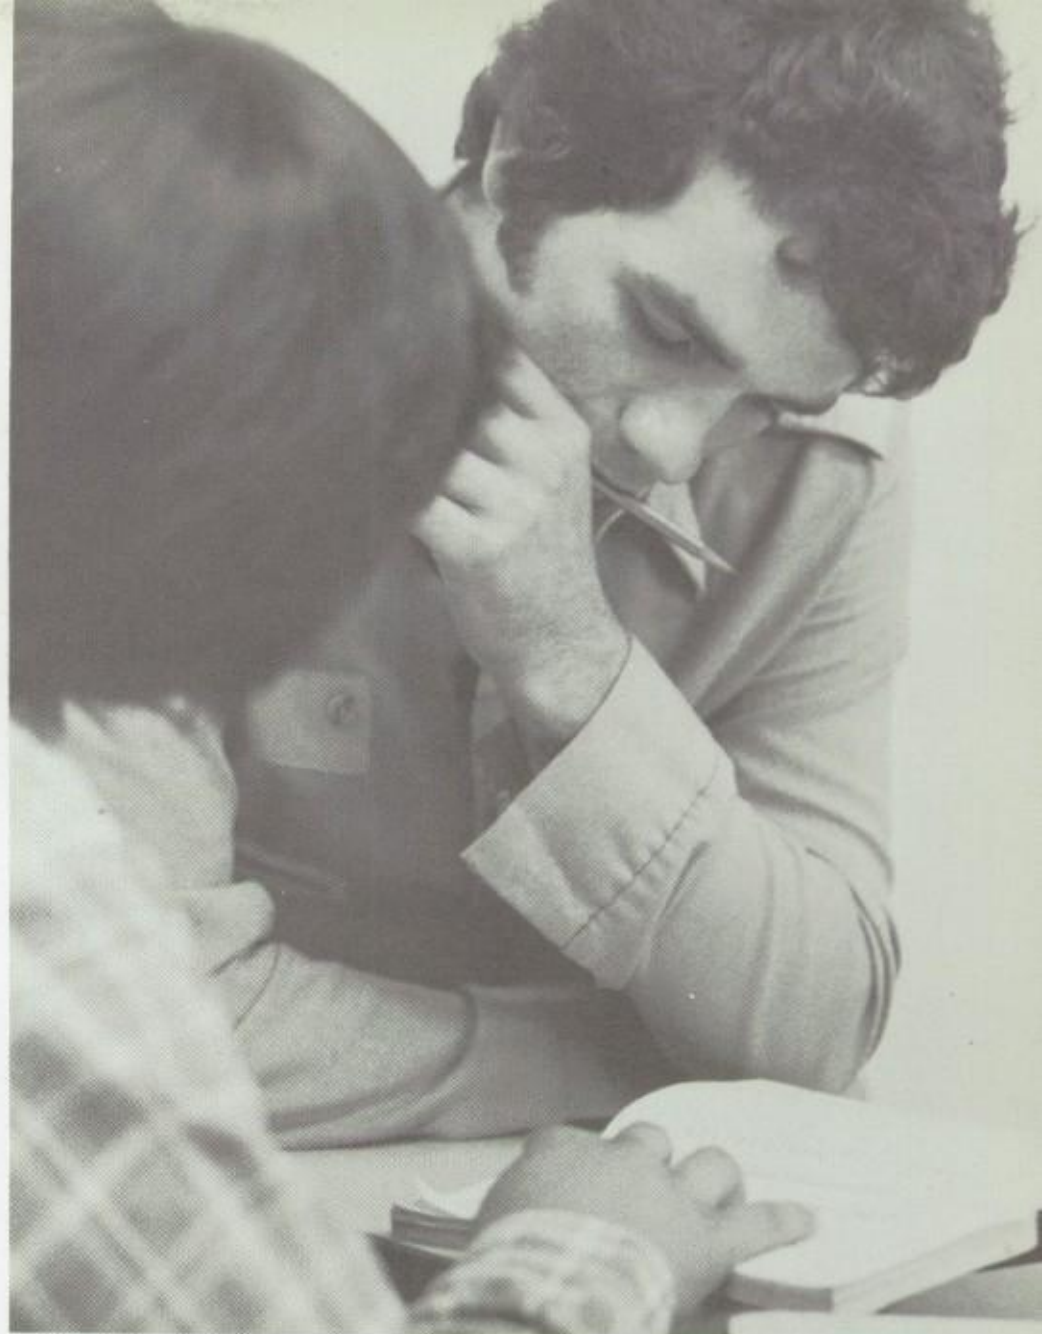

Trap & Skeet

The Trap and Skeet Club made an excellent showing this year under the direction of Fr. James LaCasse, S.J. with Mike Pullman capturing the state title overall.

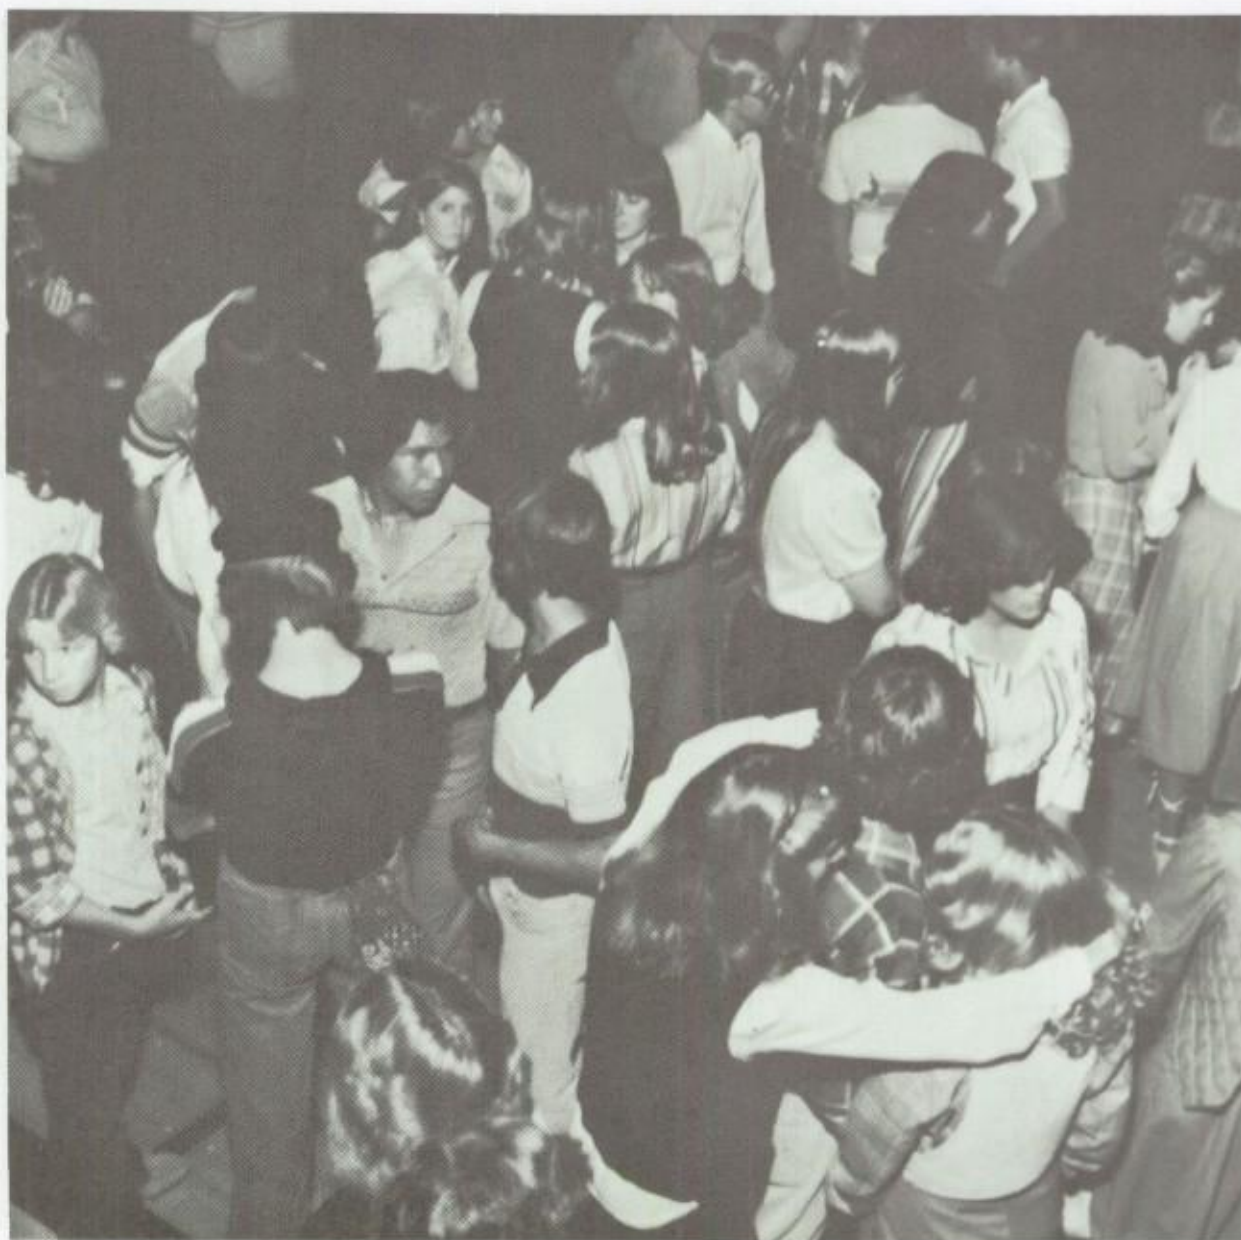

Community Service

Each year, Mr. Jim Groseta worries that he will be unable to find volunteers to man the nursing homes and hospitals in need. Yet, discounting the verbal slandering of the required Community Service hours, it invariably happens that students participate and end up enjoying the work they have volunteered for. This year's hours have been spent as hospital pinstripers, Easter Seal Camp counselors, and grade-school team coaches.

How to Succeed in Business

How To Succeed In Business was one the most successful theatrical productions Brophy has produced. It was the combined efforts of many people that made it such a great preformance. Mrs. Betty Wojciehowski directed the play with the help of Mr. John Bisenius, S.J. Mr. Ron Maggiano and Mr. James Celoni, N.S.J. were responsible for the teaching and directing of all music in the play. To these people we owe great thanks for giving their time voluntarily for the six weeks of rehearsal that went into the play.

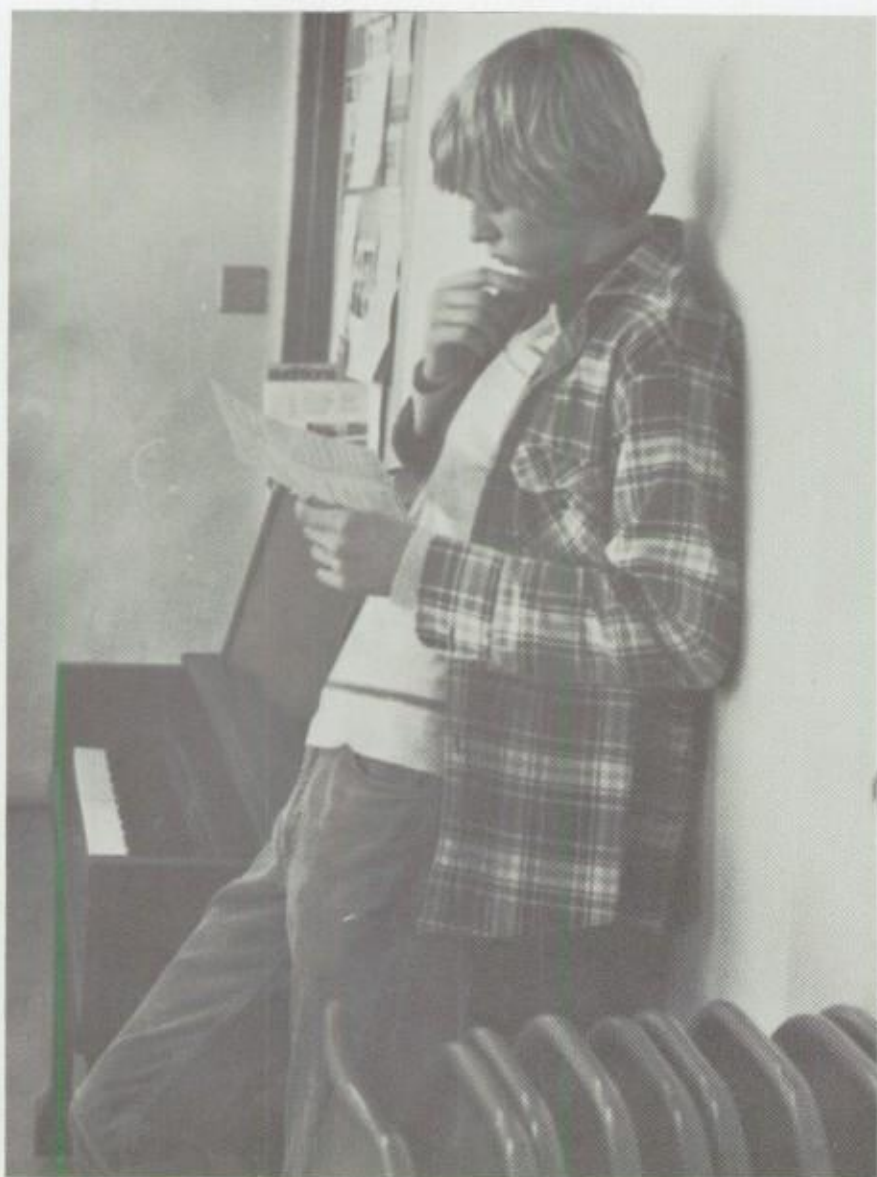

One of the most suprising aspects of How To Succeed In Business was the precision dancing unseen in most high school productions. The hard work of Mr. Jack Slater, the choreographer, along with Mrs. Mary Jane McQueen, the dance coach, was responsible for this accomplishment.

The cast and chorus practiced every day for six weeks, learning lines, songs, and dances. The cast included Joe Welty as Finch, Dana Wojciehowski as Rosemary, Tom Daughton as Bigley, Don Herman as Frump, John Guliano as Bratt, Therese Lentz as Smitty, Laura Illige as Miss Jones, Barry Jones as Twimble, and Mark Silva as Womper.

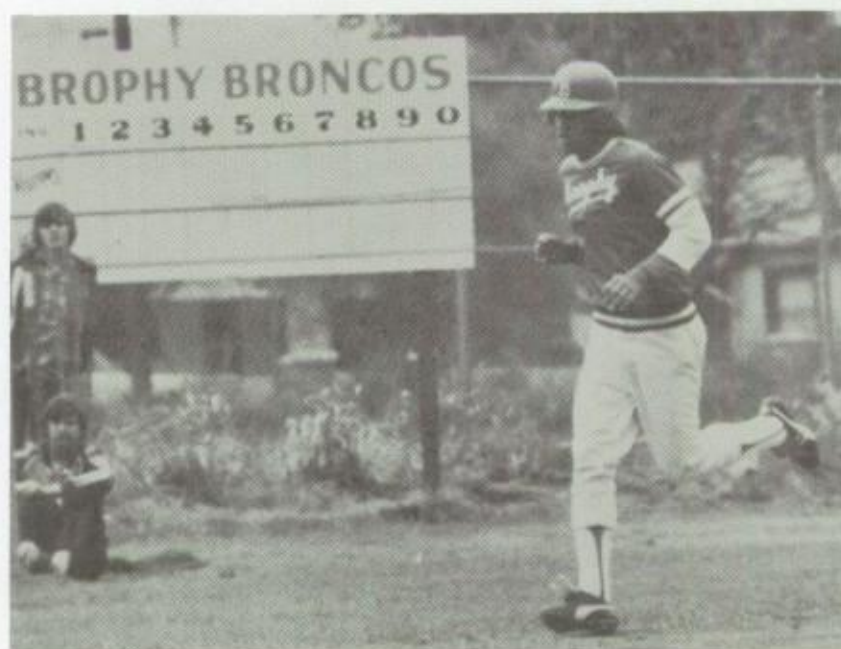

The members of the chorus were Debbie Stephan, Jenny Gaio, Jenny Sterling, Chris Dunford, Shawn McCabe, Colleen Maher, Maureen Maher, Melanie Johnson, Valerie Marcus, Jim Conley, John Dunford, Mark Guzzi, Scott Schaefer, Chris Shand, Frank Spinelli, and Don Voss.

SWIMMING & DIVING

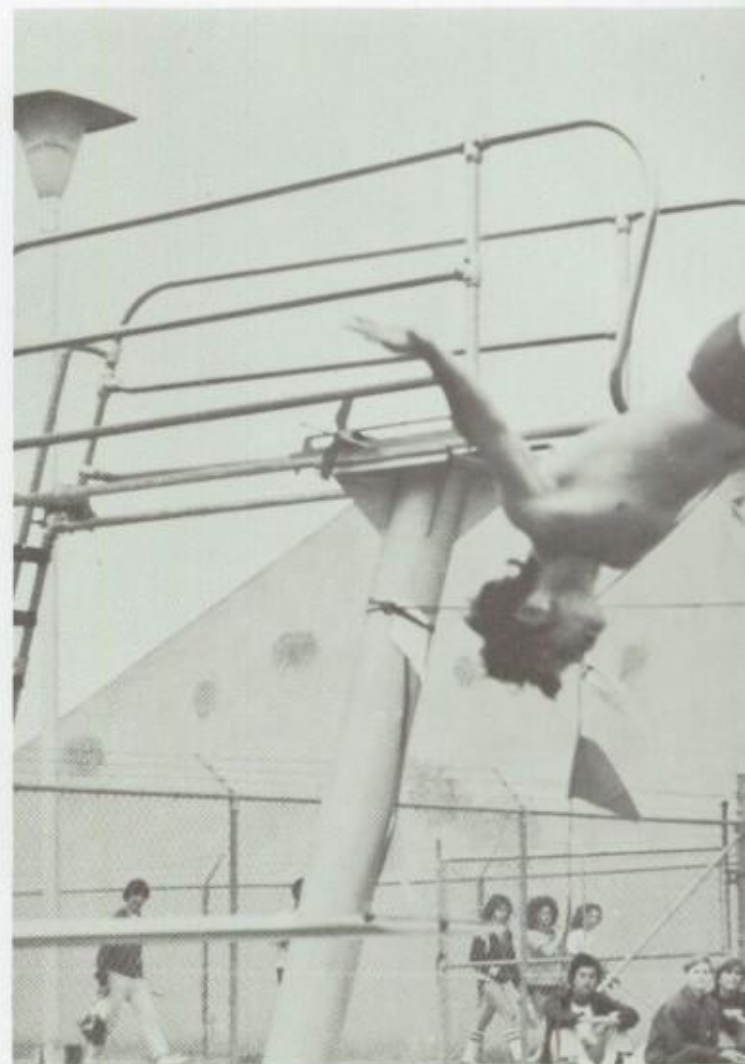

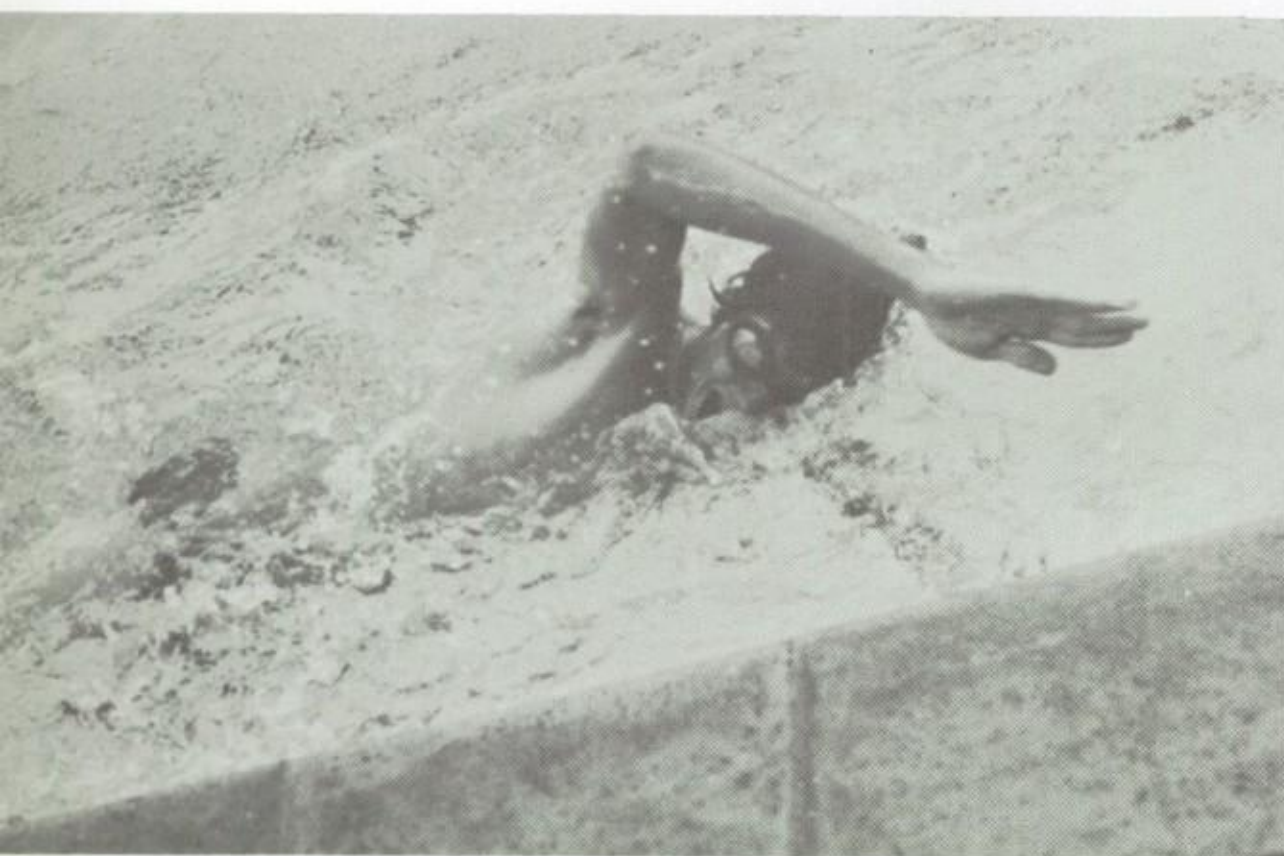

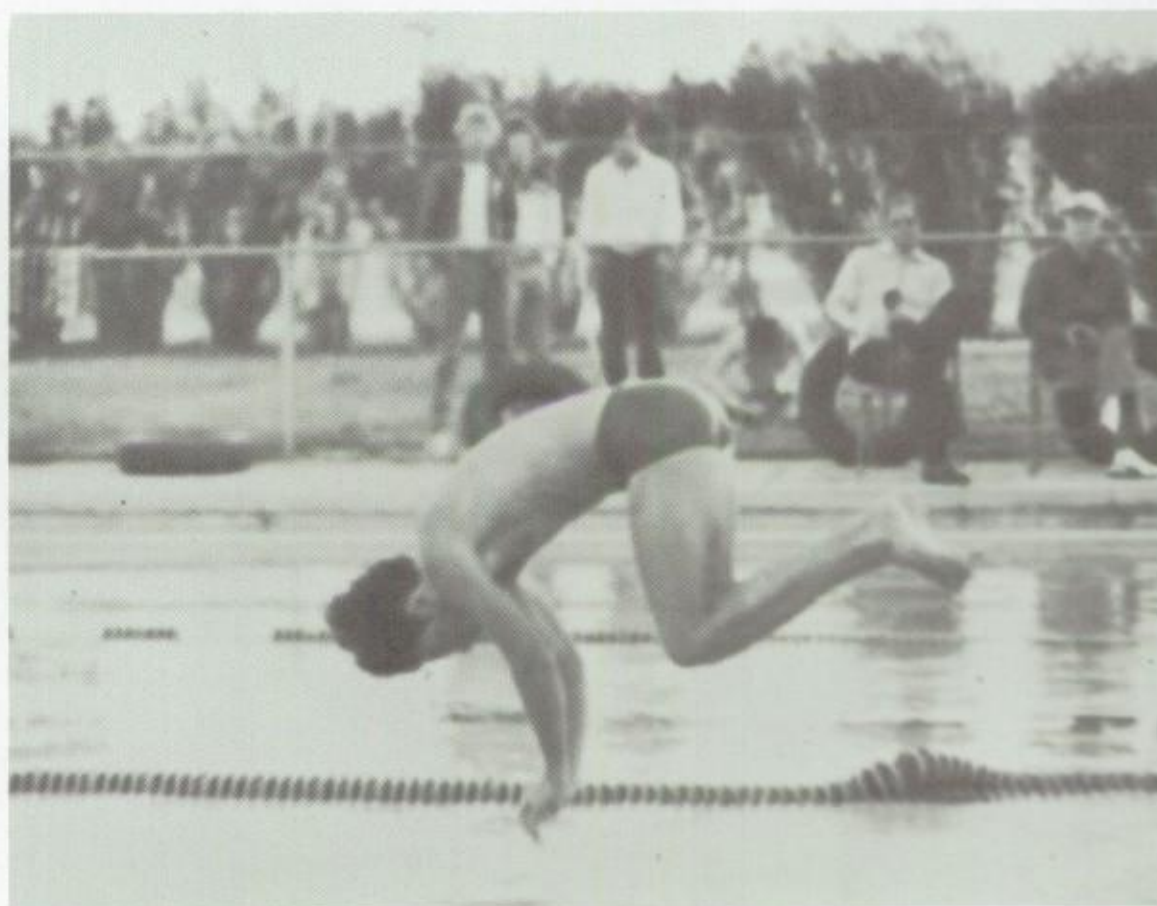

Fr. James LaCasse, S.J. Swimming and Diving Coach, Algebra I, Religion I, Christian Philosophy of Man, Ski Club, Radio Club, Trap and Skeet Club, and Scuba Club Moderator .

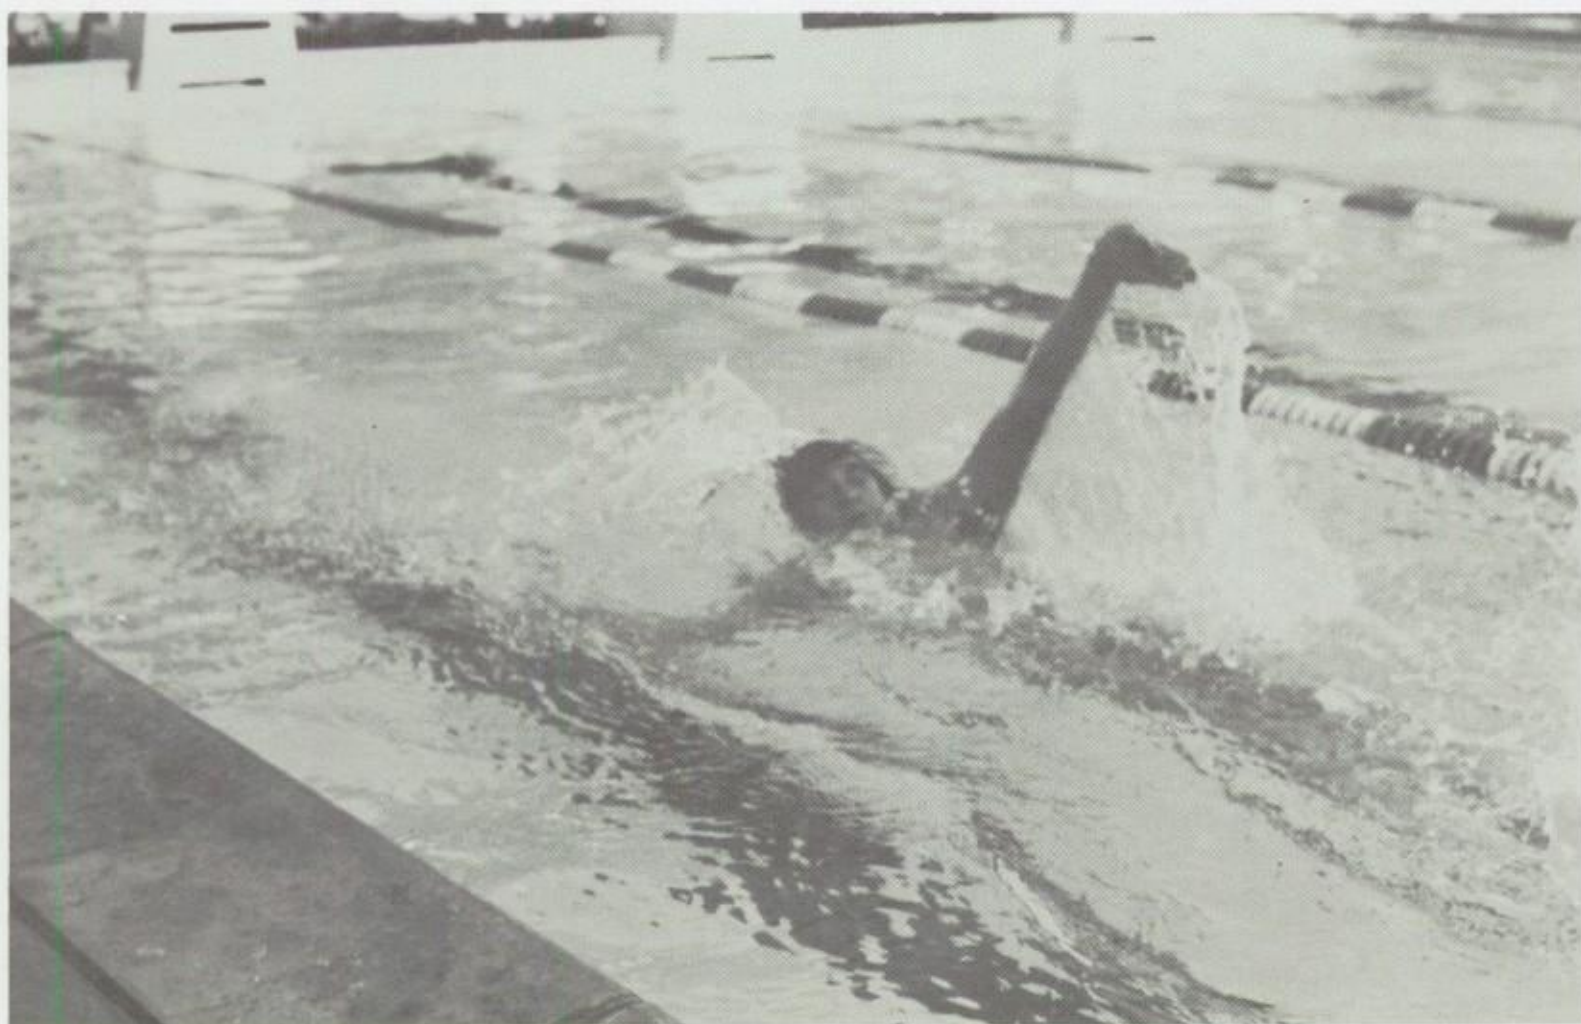

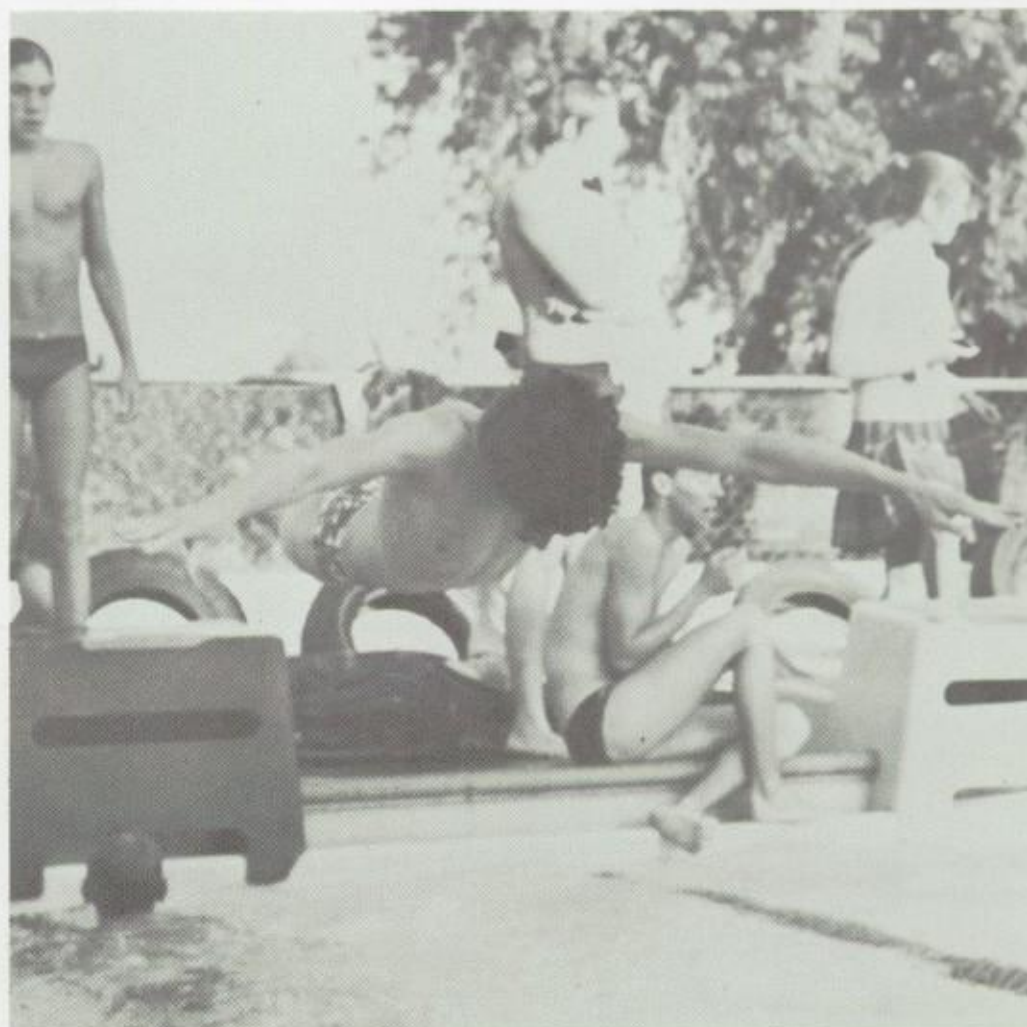

The Brophy Swim Team completed this year's regular season with a perfect 12 and 0 record. This has been their third perfect season, making their three year regular season record in dual meet competition an outstanding 36 wins and 0 losses.

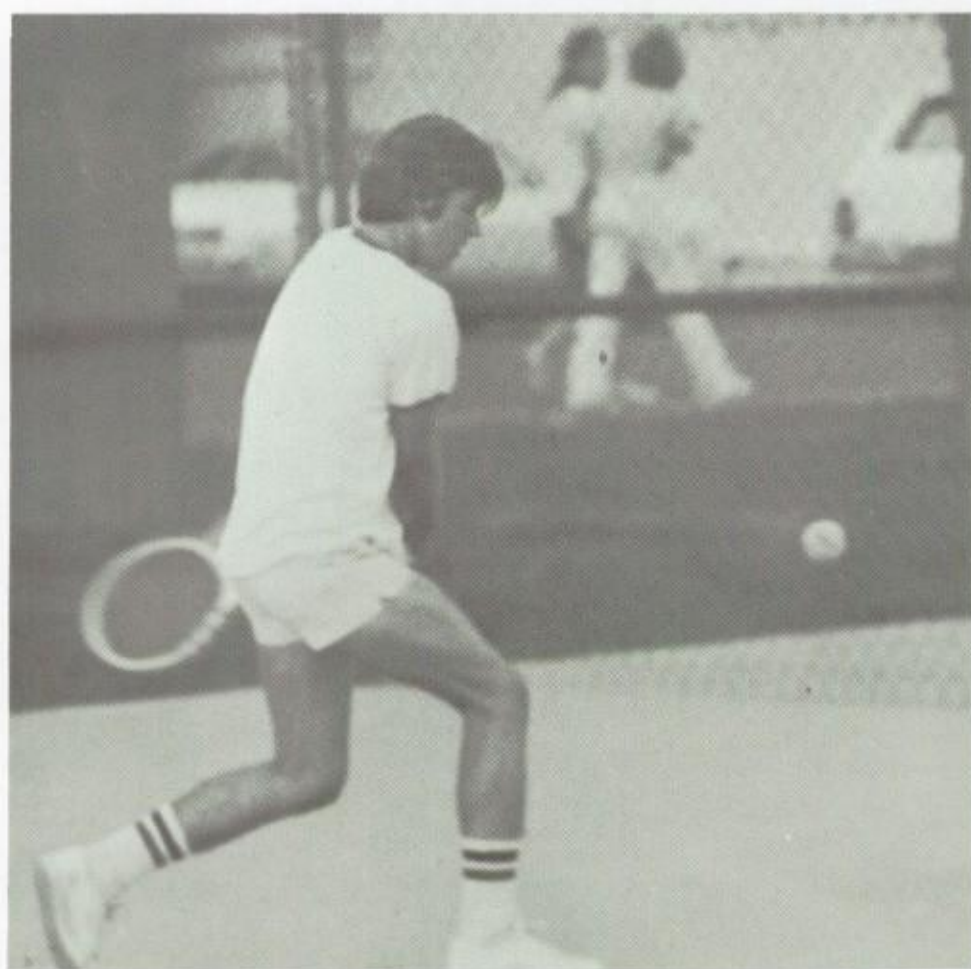

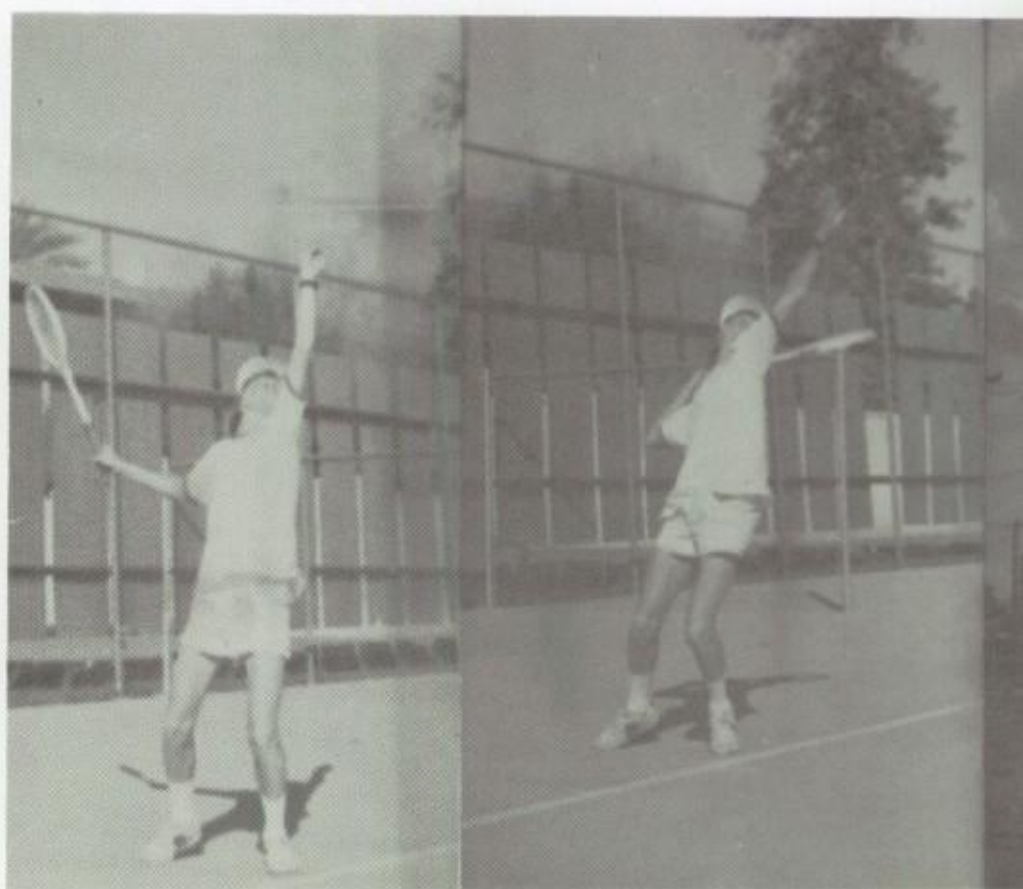

Brophy's swim team looks more promising than ever this year. With five returning All-Americans and many other talented swimmers on the team, it looks as though Brophy will go all the way this year. With the back-breaking training of Fr. James LaCasse, S.J., the team is working for only one thing, the State Championship. With an undefeated record so far and no real competition in sight, the Brophy swimmers are in for an excellent season at least. Good luck and on to the State Championship!

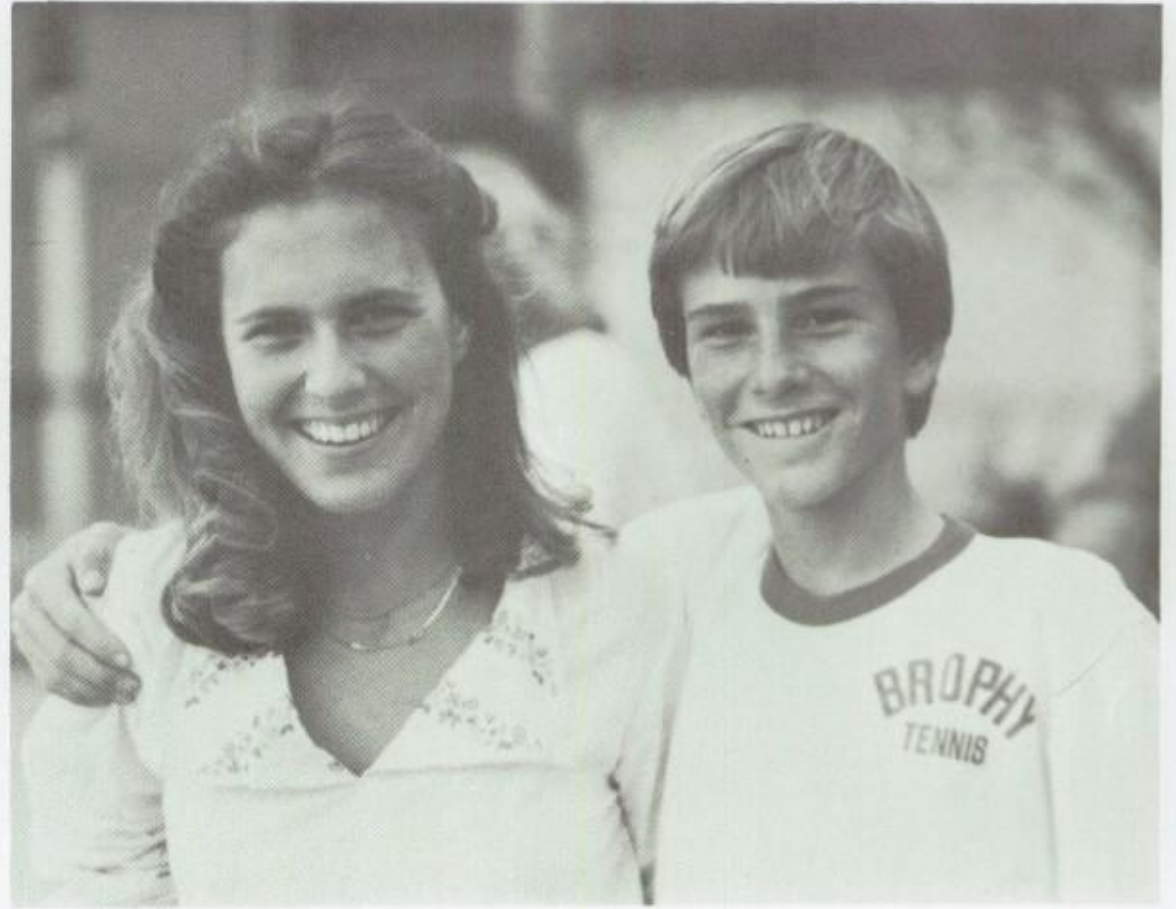

Tennis

Frosh Tennis

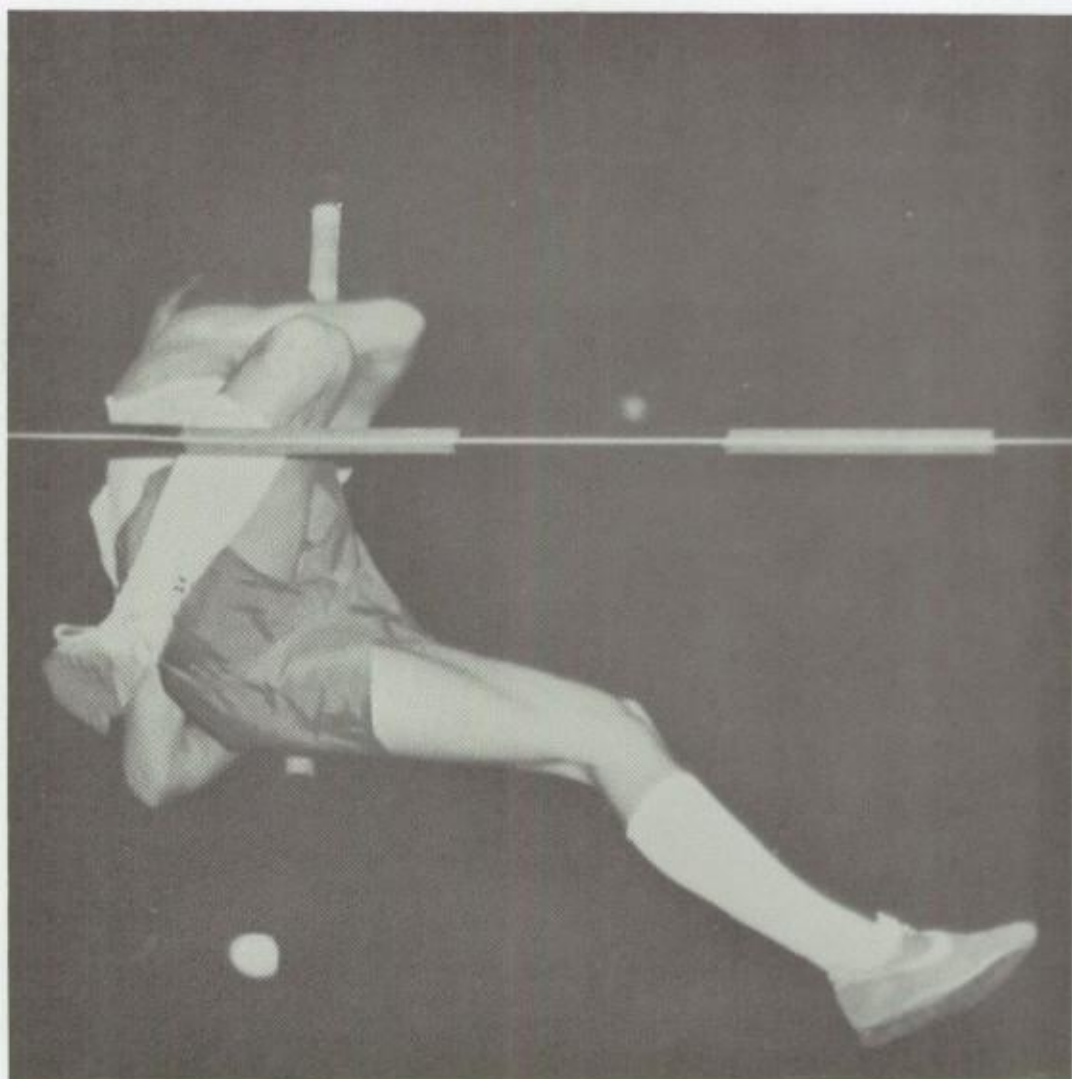

The Frosh Tennis Team is Brophy's most successful team. Under the coaching of Fr. Dave Klein, S.J., this frosh team has not lost a match in the past two years. Fr. Klein and all the members of his team are to be congratulated for their unparalleled accomplishment.

Brophy's track team has once again been laced with talent. The total number of points does not accurately portray the team's quality, though. Mike Hopkins demonstrated this with his rendition of the fifth fastest time in the state. Brophy's 440 relay, with soph Sean Kelly, also proved worthy with the eighth quickest state time.

Brophy took more first-place finishes in most meets, but, because of our small size, other schools gained more points overall from second and third-place finishes.

The team also profited because Eric Peay, John Sterrer, Bill Coady, and John Eurich participated. Each of these added many First place trophies.

Golf

The Brophy Linksmen, under the direction of Coach Trevor Stinson, began the year with many hopefuls. After qualification rounds its number was reduced to eight. Senior Jeff Largay, and Sophomore Jeff Stevens led the pack with Bob Pederson, John Butler, Russell Dickey, Curt Carpenter, Brian Batastini, and Sandy Germain, the team's lone freshman, who, despite age, played in a number of matches. The team has had a successful season and looks forward to an even better record in the future when the team is a little older.

This book represented a very active year in which all the students participated. Long has it been since the student body could truly call itself unified. This unity was evident at all Brophy functions, from the First Annual Father-Son Breakfast to the very emotional football finale. It is difficult to describe the binding force, but the source was obvious. The entire Brophy community, made up of students, faculty, and parents all contributed.

In no place was this spirit more apparent than on the yearbook staff. Through a concerted, albeit late, effort, the book was produced.

Congratulations should go to the moderator and staff who worked diligently to insure success.

Our Gas Smells!

Properly used, natural gas is clean and safe. In its natural state, it's odorless. However, a smelly odor is added to warn you when something's wrong. A faint odor warns you to check equipment. Are

kitchen range burners turned off? Are pilot lights burning?

If odor is strong, don't ignite a flame or operate light switches. Open windows and doors. Evacuate the building and call your gas company immediately.

SunLakes

Our town really is our town.

It's hard to show "pride of ownership" in something you don't own. And that's another nice difference in living at Sun Lakes.

All the folks who own homes here also own a share in the \$3-million worth of recreational facilities.

In the eight lovely, stocked lakes — and four more to come. In the excellent Executive golf course, and the 18-hole championship course now being built. In the \$100,000 pro shop, three heated swimming pools, three night-lighted tennis courts, lavish community center with arts and crafts shops, card and billiards rooms, library, theater. In the men's and women's health clubs with saunas, whirlpools, the community farm, so much more.

The nice folks who live here aren't just using these things. They own 'em. Along with beautifully-designed, solidly-built homes, surprisingly low-priced from the mid-40's.

We call Sun Lakes "our town." And we mean it. *Our town!*

23 years ago we began doing the little things at Courtesy Chevrolet that make friends of nice people like you.

That means we've been around longer than any other Chevrolet dealer in Phoenix. And thanks to your continuing appreciation and

support the good things we do and the great deals we give are getting better every year.

Come on in today for a look at the 1979 Chevrolets that guarantee our continued success and your continued satisfaction with us.
